Dear Mrs. Marx:

I am a member of the Pasadena Chapter of the American Institute of Architects and have been since 1949.

Within the last year or so there has been a sub-chapter of the Southern California Chapter in Bakersfield, to which all architects in this area, except myself, belong.

Because I seldom am able to attend the meetings of the Pasadena Chapter and because there is now an organization in my own town, I request that I be transferred from the Pasadena Chapter to the Bakersfield section of the Southern California Chapter.

Please inform me of any necessary application forms or other paper work that needs to be done to accomplish this.

Very truly yours,

Gentlemen:

I have been a member of the AIA for the past 36 years (1949). On June 30, 1984, I retired and sold all of my stock in Biggar Frapwell Ghezzi Cartnal, Inc. to the Corporation.

I have ceased the practice of Architecture entirely and have no plan to practice in the future. I expect however, to maintain my California Registration.

Please inform me if there is a category of membership in the AIA for retired Architects and the Total annual dues for such membership, including State and Chapter Dues if any.

I have very seldom attended meetings or conventions, since I have always been more interested in Architecture.

I will be grateful for this information and will then make a decision on continuation of membership.
