Dear Sir:

I have the bills for the annual dues for the three partners and notice that the adjusting credit of \$5.00 has been made in the accounts of Mr. Jones and Mr. Whitmore.

Mr. Biscoe's bill does not carry this credit this year and I wonder if you would be good enough to advise me so that I may make a proper record to show the reason for the difference in the accounts.

Thank you.

Dear Miss Sullivan:-

In response to your letter of January 11th, with reference to the credit balances on account of adjusted dues for the period 1931-1933:

Mr. Jones and Mr. Whitmore each had an original credit of \$50.00 on account of the adjusted dues plan, while Mr. Biscoe had only \$25.00. Applying these balances at the rate of \$5.00 a year, Mr. Whitmore and Mr. Jones would have remaining balances of \$25.00 each, while Mr. Biscoe would not be entitled to any further credit.

Sincerely yours,

K.m

Dear Ed:

Here's Mr. Biscoe's application for membership emeritus. He's a very worthy representative of all that's good in professional practice.

Will you send me several sets of emeritus applications? Age and incapacitation seem to be creeping on us here in New England.

Best greetings to you all and to Ned Purves who is certainly doing a trick.

Lots of snow today.

Cordially yours,

P.S. I am corresponding with Director Thomas, omitting Director Farrar, on Revision of THE OCTAGON, suggesting that in view of present exigencies we sit tight as is.'

Dear Daland:

Thanks for yours of February 6th with Maurice Biscoe's application for membership emeritus, which will be held for the meeting of The Board in March - about which official notice will come to you in a few days.

Enclosed are several applications for retirement, as requested. The "creeping incapacitation" to which you refer is not confined to New England, I assure you. We hear reports of it from all sections of the country. However, we are greatly encouraged with the quantities of applications being received from the young men, today. Over a hundred new members have been elected in 1942 already! Several of the chapters are doing extraordinary work in campaigning for new members, notably, Philadelphia, Cleveland, and Detroit.

Will pass on to Ned Purves your comment on his work, and know he will be pleased.

Have noted your P.S. regarding Revision of THE OCTAGON. Farrar's resignation was accepted by The Executive Committee at a special meeting last week on February 5, and effective at the close of business that date. Kenneth Wischmeyer, of St. Louis, has received the ad interim election of the committee and subject to Board approval.

Best regards,

Sincerely yours,

Mr. H. Daland Chandler, Director,
New England District, A.I.A.
