NOTICE OF SUSPENSION OF MEMBERSHIP

March 31, 1954

To: Mr. Robert F. Bishop
138 North 17th Street
Philadelphia, Pennsylvania

It is with much regret that we send to you, and to your chapter secretary, this notice of the suspension of your corporate membership in The Institute, and in its component organizations to which you are assigned—because of non-payment of Institute dues.

This suspension is effective as of December 31, 1953. The sending of this notice has been delayed with the earnest wish that you might take some action in the matter.

The purpose of The Institute in permitting a membership to be suspended at the end of the year for default of dues rather than terminated forthwith is to enable the member in default to *restore his membership within the period of suspension, without applying therefor and without paying a readmission fee.* The period of grace terminates on December 31 of the year next following the date of suspension: in your case, on December 31 of the current year.

At any time during the period of suspension you may restore your membership to good standing by paying to The Institute your defaulted dues.

We sincerely hope that circumstances will make it convenient for you to meet your present obligation to The Institute before December 31, 1954.

The Institute values and needs your active support. The other Officers join with me in the hope that your membership may soon be restored to good standing.

Sincerely yours,

George Bain Cummings
Secretary.

Mr. Harry G. Stewart, President

Philadelphia 3, Pennsylvania

Dear Mr. Stewart:

Your letter of September 24th is received, advising that the Executive Committee of the Philadelphia Chapter voted to terminate the corporate memberships of Messrs. Robert E. Bishop and Frederick R. Lorenz.

On checking our records, I find that these memberships were terminated for non-payment of Institute dues, effective December 31, 1956. The action was taken in March and at that time notices were sent to the members, the Secretary of your Chapter and the Pennsylvania Society of Architects.

Therefore, their names should be removed from your Chapter's roster.

Sincerely yours,

Florence E. Gervais

Philadelphia 3, Pennsylvania

Dear Mr. Bishop:

We are pleased to learn from your letter of October 8th that you are interested in applying for readmission to corporate membership in The Institute, the Philadelphia Chapter, and the Pennsylvania Society of Architects.

When your membership lapsed, effective as of December 31, 1956, you owed for Institute dues for the years 1955 and 1956 in the total amount of \$100.00.

We do not know what dues you owed to the Chapter and State Organization, but are sending copies of this letter to the respective Secretaries, asking that they advise you what is necessary to pay past dues.

An application form should be secured from the Philadelphia Chapter in the Architects Building, Philadelphia, which should be filled in and filed the same as an original application; except that reduced dues are not applicable to former members as are in effect for newly-admitted members.

This application should be accompanied by check payable to the A.I.A. for past dues of \$100.00, plus \$10.00 readmission fee, plus \$50.00 for one year's dues in advance. Payment which the Chapter or State Organization might need would be in addition to and a separate check from that of The Institute.

Incidentally, it is noted that you are using the initials "A.I.A." after your name on your letterhead. These should be removed, as you right to the use of this insignia expired when your membership was terminated.

Sincerely yours,

Dear Mr. Bishop:

The Board of Directors of The American Institute of Architects takes pleasure in informing you that it has acted favorably on your application for readmission and welcomes you to corporate membership in The Institute again.

You are re-assigned to the Philadelphia Chapter and the Pennsylvania Society of Architects, effective June 1, 1964, and will remain assigned to these component organizations of The AIA until your membership terminates; or unless you wish to have your assignment transferred elsewhere should the opportunity arise.

I Sincerely hope that you will take an active and interested part in your Chapter activities. The Chapter is the cornerstone of The Institute's strength where the policies which advance our profession are developed. Members who are active in Chapter affairs gain the most from AIA as professional men and provide the leadership which AIA needs to meet the challenges and opportunities which the future holds for architecture.

I want you to know that The Secretary's Office is at your service to the fullest extent of its powers.

By direction of The Secretary.

Sincerely yours,

Re: Robert Bishop

In August, you asked that we hold up on Mr. Bishop's election to emeritus because he owed you supplementary dues. For what year? Has he paid them? Also, what are you doing about his 1972 dues? He owes us and we would like to follow suit with the Chapter in this connection.

We would appreciate your early reply.
