Dear Mr. Bock:

The Board of Directors of The American Institute of Architects takes pleasure in informing you that it has acted favorably on your application and welcomes you to corporate membership in The Institute.

In the near future, you will receive some literature regarding The Institute, which we hope you will find of interest, and a lapel emblem.

In approximately two months you will receive a certificate of membership, either directly from The Institute or through formal presentation by the Chapter, depending on the chapter's policies in such matters.

You are assigned to the New Jersey Society of Architects of The AIA, effective July 16, 1965.

I sincerely hope that you will take an active and interested part in your Chapter activities. The Chapter is the cornerstone of The Institute's strength where the policies which advance our profession are developed. Members who are active in Chapter affairs gain the most from AIA as professional men and provide the leadership which AIA needs to meet the challenges and opportunities which the future holds for architecture.

I want you to know that The Secretary's Office is at your service to the fullest extent of its powers.

By direction of The Secretary.

Sincerely yours,

William H. Scheick, F.A.I.A.
