Board of Directors,
American Institute of Architects,
The Octagon,

Gentlemen:

I recommend the election of Frederick D. Boese
of San Francisco to Institute membership. I have known
Mr. Boesse slightly for some ten or twelve years. He
is a brother of a former employee of my own for whom I
have a high personal regard. Mr. Boese is a man of high
character who should become a member of the Institute.

Very truly yours,

J. Galen Howard

Dear Sir:-

Acting for the Secretary, I take pleasure in advising you of your election to membership in the American Institute of Architects, effective July 7, 1916.

You will receive later, the Annuary and Proceedings for the current year. The former contains the official documents of the Institute.

In accordance with the action of the recent Convention of the Institute with regard to applicants qualifying in 1916, your initiation fee of \$25.00 has been remitted. As you have paid the preliminary fee of \$5.00 the only charge on the Institute books is for dues for the remaining half year of 1916. For this item we enclose a formal statement.

May I take this opportunity to say that the office of the Institute at the Octagon is for the service of every Institute member. Should the occasion arise, we will be glad to give you our best cooperation.

Very truly yours,

Executive Secretary.

My dear Mr. Bruce:

We have received the resignation of Mr. Frederick D. Boese, Institute member, and have acknowledged the same as per the attached copy of letter of December 27.

Please advise me if Mr. Boese is in good standing as a member of the San Francisco Chapter and if you consider it desirable to bring the matter to the personal attention of President Mauran or the Secretary, Mr. Parker, for the purpose of addressing a personal note to Mr. Boese asking him to reconsider. The Institute always regrets to lose a member without sufficient reason, for sometimes a resignation is tendered in a moment of impulse and for no real good reason.

Appreciating your cooperation in this matter, I am

Very truly yours,

Executive Secretary

Dear Sirs:-

Upon my return to San Francisco after an extended absence I find in my mail an Institute Bill for dues in amount of \$80.00 . This was somewhat surprising to me as I resigned from the Institute in 1917 as I intended to discontinue the active practice of Architecture, and become associated with the Standard Construction Co. at the time I sent in my resignation .

I have never received any communication relative to my resignation .

Yours very truly .

My dear Mr. Boese:-

A brief illness has delayed acknowledgment of your letter of January 18.

Apparently we have no official record here of your resignation as an Institute member, and we have sent to you continuously since 1918 monthly statements for dues, to which no acknowledgment has been made.

Of course the Institute does not wish to charge your account for dues if your resignation was properly submitted. Perhaps there has been some misunderstanding and I would be pleased if you will send copies of any letters you may have bearing on the subject.

You no doubt are aware that a resignation from the Institute must come through the Executive Committee of the member's Chapter. See marked copy of the By-laws herewith.

Pending further advice from you no more statements for dues will be sent and no action will be taken concerning your Institute membership.

Very truly yours,

Executive Secretary.

My dear Mr. Boese:

With further reference to your indebtedness to the Institute and our letter of February 1, 1921, copy of which is enclosed, please have your resignation come forward through the Secretary of the San Francisco Chapter, accompanied by a remittance for \$60.00, which represents your indebtedness to the Institute to the end of December 31, 1920.

Under a general resolution of the Board, we must discontinue your Institute membership for non-payment of dues unless we hear from you as above indicated.

Trusting to have your reply not later than April 1, on which date final action must be taken, I am

My dear Sir:-

This will formally advise you that under a general resolution of the Board of Directors your Institute and Chapter membership has been discontinued, effective January 31, 1921, for non-payment of dues.

According to our records you are indebted for \$60.00 for the years 1918, 1919, and 1920.

The necessity of this action is regretted, but we have not heard from you in response to letters of February 1, and March 9, and there is no alternative.

The Southern California Chapter has been advised of the discontinuance of your membership.

By direction of the Secretary.

Very truly yours,

Executive Secretary.

In our letter to you of April 16, it was stated that notice had been sent to the Southern California Chapter. This was a stenographic error, and the San Francisco Chapter was intended.
