Dear Mr. Breed:

The Secretary is happy to inform you that your application for membership in The Institute was acted on favorably by The Board of Directors and that you were admitted to corporate membership in The Institute and assigned to membership in the New York Chapter and the New York State Association of Architects, effective May 5, 1950.

You will be a member of those component organizations, unless you later transfer therefrom, until your membership in The Institute terminates.

Your certificate of membership, duly executed by the Officers of The Institute, will be sent in due course.

The Board of Directors welcomes you to membership in The Institute and The Secretary's office is at your service to the extent of its powers.

Dear Mr. Breed:

The New York Chapter has brought to our attention your advice to them that as you no longer reside in or have an office in New York you believe it better to resign from the New York Chapter.

We are writing to advise you that a corporate member may not resign his membership in a chapter to which he is assigned without resigning, also, his membership in The Institute. Is this your intention?

If not, and you wish to remain a corporate member of the A.I.A., perhaps you would like to transfer your chapter assignment to the Connecticut Chapter in whose territory you are now located. If so let us know and we shall be glad to take the necessary steps to bring this about.

Awaiting your further instructions,

Sincerely yours,

Dear Maureen:

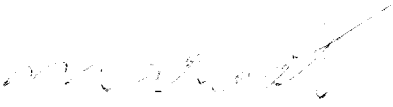

The enclosed is self explanatory. I would appreciate it if you drop Mr. Breed a note to the effect that he cannot possibly belong to the Connecticut Chapter, as he states in his letter, as long as he is officially assigned to the New York Chapter. I have also written to Mr. Breed today.

If you would like to act on his letter, as it is written, I would like to state that he is in good standing.

Many thanks.

Kind regards.

Dear Sirs:

I have received your statement for the annual dues for the New York Chapter, A.I.A. dated October 1, 1966.

My home and office are now located in Wilton, Connecticut and I have not had an office in New York since 1958. I am a member of the Connecticut Chapter and it doesn't seem logical to belong to two Chapters.

I would like if possible to resign from the New York Chapter as I am rarely in New York.

Yours very truly,

Dear Maureen;

I am trying to keep up with our older members sending back their 1971 dues bill with the notation "I am resigning, can't afford to pay dues". Most of these gentlemen are eligible for Membership Emeritus and have been for sometime. I am requesting that the date of their Election of Emeritus be retroactive - December 31, 1970. All of these gentlemen are in good standing with the Chapter.

Mr. Nelson F. Breed (application enclosed) said in error his secretary paid his National Dues for 1971 and he would like to have the dues returned. He said, "I just can't afford them". He is in the process of closing his office. At the age of 80 years I think he should be commended for maintaining an office this long.

Mr. Willard Wilkins application is enclosed.

I have sent Mr. William H. Jackson, Mr. Walter R. Furey and Mr. Peter R. Kosinski applications for Membership Emeritus and they will return them to me as soon as possible.

As I am in my eighty-first year and about to close my office, and will have no income coming in from any architectural activities, I feel that I should resign from the A. I. A. as what income I will have does not justify the expenditure for membership.

I regret having to resign, as I also regret having to close my office.

My dues for 1971 have been paid, and you can use your own judgement about reimbursing me.
