Mr. Edmund R. Purves, FAIA

Dear Mr. Purves:

Just what is the procedure for nominating a member for a Fellowship?

Arthur T. Brown, in my opinion, warrants serious consideration. With his great talent and perception he has produced some of the finest buildings in the country and the best designed buildings in this section. Along with this creative ability he has practiced with strict adherence to the professional code of ethics of the Institute.

This year Ohio State University awarded Mr. Brown the Most Distinguished Alumni acclaim. At that time some members of the Columbus Chapter of AIA suggested that action be initiated toward Mr. Brown's nomination for Fellowship.

I will check with Mr. Cain before posting this letter to be certain action has not been already started.

Sincerely,

Hilda Young Wilson

Dear Miss Gervais:

I have been gathering data and letters for nomination of Arthur T. Brown for a Fellowship but in checking the instructions again I find I have overlooked the use of A.I.A. Form No. S38 called for on sheet 8 of A.I.A. Form H-503.

Since time is now of the essence please send me copies of this form in what ever quantities are required for nomination by executive committee with supplementary letters. I shall promptly send a check to cover any charge.

I have been having the letters presented on the various letter heads. Is this in error?

Dear Mrs. Wilson:

Responding to your inquiry of October 18th received today, I regret you have been misled by the reference to Form S38 on page 8 of the current Form H-503. Actually, this should have been changed when the new numbering of the nomination form went into effect, but was overlooked at the time of re-printing. Reference should be to Form H-503.

I am not sure I know just what you mean by the last paragraph of your letter. If you mean that the several supporting letters required are being written by the members on their own letterheads, this is perfectly correct. If this is not what you mean, let me know. At least, you have until January 1 to send in the supporting letters and exhibits after the nomination form is filed by November 1.

Mr. Gerald I. Cain, A.I.A.
Tucson, Arizona

Dear Gerry:

The occasion today of the Presentation of the Distinguished Alumnus award to Art gave me a great deal of pleasure and satisfaction, since I have followed his progress for 36 years now, ever since I observed this modest individual in the front row of my early class in Shades & Shadows and Perspective at Ohio State.

The occasion was also unique in that

1. It occurred on his Birthday (3 score and no years ago) and
2. His son Gordon is graduating this June in Architecture at Ohio State.

I am enclosing a portion of the program and am prompted to suggest to you, that your chapter might consider Arthur as a Candidate worthy of Fellowship in the A. I. A.

I hope I am not overly forward or presumptuous in making this suggestion, but do enthuse about the idea. Best wishes to you all

Sincerely yours

Galen F. Oman

P.S. Want to thank you for your hospitality at your Chapter Meetings. They are always enjoyable. Also hope Starkey is having a fine trip.

Nominators should read "Principles Underlying the Bestowal of Fellowships", Institute Document No. 9 before completing this nomination. Additional sheets may be inserted to supplement any page, 3 to 7, inclusive. Use typewriting only.

Mr. Bernard J. Friedman, Secretary
Southern Arizona Chapter, A.I.A.
2233 East Broadway
Tucson, Arizona

Dear Mr. Friedman:

On behalf of The Jury of Fellows this will acknowledge receipt of your letter of October 27th, forwarding the nomination made by the Executive Committee of the Southern Arizona Chapter for the advancement of Arthur Thomas Brown, A.I.A. to Fellowship in The Institute, and several letters supporting the nomination.

I regret that it is necessary to return the first page of this nomination to you, inasmuch as it has not been signed by Edward H. Nelson, a member of the Executive Committee. When nominations are made by chapter executive committees, each member must sign - unless, of course, he is the nominee which waives signature by Mr. Brown.

Please secure Mr. Nelson's signature on the enclosed first page and return to me as soon as possible. He also should send in a letter supporting the nomination as the other signers have done.

No doubt you have in mind the sending of the photographic exhibits of some of Mr. Brown's executed, architectural work as required - January 1, 1961, is the deadline for filing these and all supporting letters, if the nomination is to be considered by the Jury at its next meeting in 1961.

With appreciation of your help in completing this submission,

Sincerely yours,

(Miss) Florence H. Gervais
Secretary to The Jury of Fellows

FILE COPY - PLEASE RETURN

Dear Mr. Brown:

The American Institute of Architects desires to confer upon you the honor of Fellowship and membership in the College of Fellows in accord with the action of The Jury of Fellows at its recent meeting, for your notable contribution in Design.

The purpose of this letter is to request your presence at the 1961 Convention of The Institute, to be held in Philadelphia, Pennsylvania, starting April 24, 1961.

At a special ceremony to be held on the afternoon of Wednesday, April 26, at the Philadelphia Museum of Art, those who have been elected to Fellowship will receive their certificates and medals. Presentation will be with appropriate ceremony and it is highly important that each of the newly-elected Fellows be present.

The Officers of The Institute and The Jury of Fellows join in the request that you come to receive this honor in person. Please send your response to The Octagon at an early date.

The Public Information Department will issue press releases announcing the names and home towns of the newly-elected Fellows. The releases will suggest to editors that they get in touch with local chapters for pictures and biographical information and the new Fellows' architectural accomplishments.

Chapters will be advised of these releases well in advance of their issuance.

Will you please send a 5 x 7 black-and-white, glossy photograph, suitable for newspaper use, together with a short biographical sketch, to the Department of Public Information at Institute headquarters?

Yours sincerely,

J. Roy Carroll, Jr., F.A.I.A.
Secretary

Dear Mr. Brown:

At the recent meeting of The Jury of Fellows you were elected to Fellowship in The Institute and membership in The College of Fellows of the A.I.A. for achievement in Design.

At the Convention there will be an exhibition of the work of the newly-elected Fellows preselected for Design, and to that end the Jury has had to make a comprehensive, yet as small a selection of your exhibits as possible for this occasion.

Under separate cover your entire exhibit is being returned, and those photographs selected are indicated by pieces of tape and are as follows:

1. Faith Lutheran Church (night view)
2. House and Hangar (air view)
3. Smith Memorial Chapel (entrance view)

These should be reproduced, in black and white only, to conform with the instructions enclosed (see pages 2 and 3) - all on one mount 40" x 40" - and should be forwarded to

Gentlemen:

RE: Member Emeritus, Application For

I have, from time-to-time since October, requested of our local chapter office an application for Emeritus membership.

I am writing, directly, because such application forms have not been locally available -- and because I would very much like my membership classification to be changed before I become liable for 1978 dues.

Please consider this letter as my application to become a Member Emeritus, effective before the close of this year. I would hope that you will send me the necessary forms, so I may complete and forward them.

I am sending a signed copy of this request to the Executive Committee of my chapter, since I assume its approval is necessary.

I have been a Corporate Member, continuously, since 1936. I am 77 years old.

Thank you for your consideration of this application.

Sincerely,

Arthur T. Brown, F.A.I.A.
