My dear Mr Kemper:

Mr Grealey of the State Board of Architecture Florida, to whom I applied for a licence to practice in Florida assures me that if I send him my certificate of membership in the A.I.A, together with a letter from you stating that my dues are paid etc, that he will issue a temporary permit to me at once. This is very kind, as his office is filled with applications, about two hundred waiting their turn.

I am very anxious to begin work in Florida without delay, and shall esteem it a great favor if you will write to him immediately.

The Duncans and I enjoyed seeing the wonders of the Octagon House. I trust that I can get the kitchen restored before Mr Waid goes out of office.

Thanking you in advance, I am

Yours truly,

Dear Mr. Kohn:

There has been moved to the agenda of the April Board meetings, from the agenda of the March Executive Committee meeting, the case of the discontinuance of membership of Katherine C. Budd, of the New York Chapter.

As you will recall, at the Executive Committee meeting, there was presented a letter of January 14th from the Chapter stating that Katharine C. Budd had been dropped from the rolls of the chapter for non-payment of dues. Miss Budd is also indebted to the Institute in the sum of \$50.50. The Secretary's office has been unable to locate her and mail addressed to her has been returned.

The Executive Committee directed that this matter be referred to you, for conference with Mr. Waid.

We shall put the case down for discussion at the Board meeting, together with any report that you may wish to submit; or, if you prefer, your report can be made orally at the time of the meetings.

Sincerely yours,

Executive Secretary.

Dear Miss Budd:

Your name is on the delinquent list of the Institute and it appears that the amount of the indebtedness is \$75.00 for the years 1929, 1930, and 1931, and fifty cents for the year 1927.

At the last meeting of the Board, the President, Mr. Kohn, of the New York Chapter, called attention to your absence from the United States.

This office also reported its inability to get into communication with you.

It was directed that your membership be not terminated and that a special effort be made to reach you by means of a registered letter.

It is hoped that this letter will serve that purpose and that you will respond by return mail, to give us your address abroad and to make some comment on the outstanding account.

Neither the Office of the Institute, nor the New York Chapter, wants to lose your affiliation.

You will appreciate the difficulty we have here in keeping the account standing indefinitely.

We would all be gratified to hear from you and to know that it is your intention to maintain your affiliation with the Institute and the Chapter.

We hope to have some word from you to put in Mr. Kohn's hands in advance of the next Board Meeting, which occurs in Washington on or about April 20.

Sincerely yours,

Executive Secretary
