Dear Mr. Buehler:-

Permit me to acknowledge with gratification, and on behalf of the Secretary, your application for membership in The American Institute of Architects, received by reference from Mr. Henry T. Stephens, of New Jersey.

The application is complete in every respect except for the annual dues of \$25.00 which, for the new member, are payable in advance. These dues of course are applied to the ensuing twelve months following the date of election.

Another requirement is the submission of the customary routine exhibits. These should consist of photographs and working drawings of two executed buildings which need not be specially prepared, may be taken from your office files, and will be carefully returned later.

By way of explanation, it should be stated that all applications for Institute membership are acted upon at the quarterly meetings of the Board of Directors and the Executive Committee. The next meeting is that of the Executive Committee, scheduled for early October, and your application can be acted upon at that meeting, provided all formalities are completed by then.

However, no action can be taken on an application until the annual dues have been paid.

We acknowledge with thanks your check of \$25.00 covering the Initiation Fee.

Trusting you will find it possible to complete your application by the time of the October meeting, I am,

Sincerely yours,

Executive Secretary.

Dear Sirs;

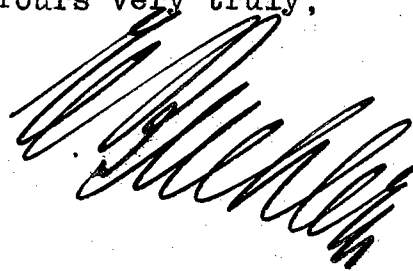

Enclosed please find check for \$25.00 on the  
Leonia Bank & Trust Company together with my application  
for membership in the A. I. A.

I previously sent you a check for \$25.00 on  
the First National Bank, Fort Lee, N. J., but some time  
ago I changed my bank and am now working with the Leonia  
Bank and Trust Company.

Accidentally I learned that the A. I. A. is  
demanding payment of the above mentioned check, the exist-  
ence of which I failed to remember when I closed my account  
with the First National Bank, which explains why payment  
was refused and the check returned to you.

I beg your pardon and remain,

Yours very truly,

Gentlemen:--

Enclosed please find check for \$25.00 covering annual dues.

As mentioned in your letter of June 8th, 1928, the A.S.A. requests the submission of photographs and working drawings of two executed buildings. Some time ago I sent you under separate cover drawings of three buildings, two of which were executed in Kentucky and one (the High School Building in Dumont, N. J.) is under construction at the present time.

I have tried in vain to obtain photographs of the buildings in Kentucky and to comply with the requirements of the A.S.A. I am compelled to send you under separate cover a set of drawings of the High School Building in Teaneck, N. J., which is now under construction, and some pictures of the Dumont and Teaneck High School Buildings which I took for this purpose.

Sincerely yours,

Dear Mr. Buehler:

We write with regret to advise you of the termination of your membership in the Institute and the Chapter to which you are assigned, effective December 31, 1935.

As stated in the Notice of December 6th, the Board of Directors extended the time limit for payment of dues in default to January 31. It directed that 1936 dues be not charged against the accounts of those memberships so terminated.

The Officers and Board sincerely hope that as soon as improved conditions enable you to renew your support of the Institute and the Chapter you will apply for reinstatement in the manner indicated on the enclosed excerpt.

By direction of the Secretary.

Sincerely yours,

Executive Secretary.
