PUBLIC SERVICE BUILDING  
PORTLAND • • OREGON

Dec. 23rd 1932.

Mr. Edward C. Kemper,  
Executive Secretary,  
American Institute of Architects,  
Washington, D. C.

Dear Mr. Kemper:

Enclosed is my check for twenty-five dollars which is to apply on my delinquent Institute dues. I regret that the amount of the check is not greater but I have had to almost steal to send even this.

Like the experience of most of the men in the Oregon Chapter the projects that do come into the office are blocked by inability to get sufficient or any financing. The architects are penalized by financing agencies for the past acts of the speculators.

As President of our chapter I have attended a great many meetings, the object of which has been to devise ways and means of bettering conditions in the building industry. However due to the ponderous machinery necessary to put any processes in force and the slowness of it all, the depression will probably be over before they become a benefit.

By nature I am an optimist and in spite of everything I see the future as bright. May I assure you that it is my intention as a member of the Institute to carry on be there Hell or High Water.

Sincerely yours,

*Harold W. Doty*

Dear Mr. Doty:

This will acknowledge your remittance of \$15.00, which has been credited on account of your dues in default.

The Board appreciates that there may be difficulty in making cash payment in full at this time, and desires to aid you as far as it can in retaining your membership in the Institute.

There are two ways by which your good standing may be restored: First, by payment of the indebtedness in full.

To help in the first way, the Treasurer is authorized to accept your note in payment of the balance of the indebtedness. Therefore, we are sending herewith a note, without interest, payable to the Institute on or before December 31, 1936.

If you will sign and return this note to the Treasurer of the Institute, at The Octagon, on or before January 31, 1936 - your membership will be preserved and your good standing as to unpaid dues restored as of January 1, 1936.

To help in the second way, the Board is authorized to remit dues in exceptional instances and for what it deems adequate cause. If you desire to apply for a remission of the balance of your dues, the note enclosed should be executed and returned on or before January 31st - accompanied by a letter addressed to the Board of Directors and stating the circumstances under which remission of the balance of your dues is requested.

If the remission is granted by the Board, you will be placed in good standing as of January 1, 1936 with respect to dues in default, and the note will be returned to you.

By direction of the Treasurer.

Sincerely yours,

Assistant Treasurer.
