## ARCHITECTS' ROSTER      QUESTIONNAIRE

### TO EVERY ARCHITECT IN THE UNITED STATES AND ITS POSSESSIONS:

The Architects' Roster is maintained by The American Institute of Architects as a service to the profession as a whole and to agencies of the United States Government. Every registered architect, whether or not a member of The Institute, is eligible for inclusion in the Roster. The Institute maintains custody of the Roster, keeps it up to date and in good order for use. The Roster is available to any representative of the Government and to representatives of foreign governments in Washington. Reference may be made to The Architects' Roster in negotiations with government agencies and other interested parties. Experience with the Roster since its establishment in 1946 has shown its usefulness. Growing out of an earlier Register of architects qualified for public works, The Roster provides at The Octagon an accurate, current record of the qualifications and achievements of members of the profession. It allows a positive and helpful response to requests for factual information on architects, and in that way constitutes a service to the profession.

The American Institute of Architects assumes no responsibility for the accuracy of statements made in this Questionnaire. The obligation to maintain this record as a current description of an architectural firm rests with the firm, and supplementary record forms are available for this purpose.

---

### PARTNERSHIPS SHOULD MAKE A JOINT RETURN ONLY.

Atlanta Architect-Engineer Associates is an association formed for the purpose of obtaining Government and Government-sponsored Architect-Engineer contracts. The members of this organization have been chosen for competence in their respective professions and for their demonstrated ability to work with one another. Comprehensive services, including all branches of engineering, from preliminary design to completed construction, for projects ranging in size from a single building or structure to an entire community can be handled within this organization.

There is represented, in total figures, more than 235 years of service and experience among the principals, a total of more than \$500,000,000. worth of construction; there is an existing organization of 102 persons which can be increased - even doubled - if required.

We present herein an outline of education, experience, and other pertinent information regarding the principals of this organization; there is also listed some of the more important work participated in by the various firms.

# O R G A N I Z A T I O N C H A R T

WILLIAM J. CREIGHTON, A.I.A.

Education: B.S. in Architecture, University of Pennsylvania, 1915  
M.S. in Architecture, University of Pennsylvania, 1917

Military Service: First Lieutenant, Army, Military Aviator  
Active duty, World War I, 1917-1919

Experience: 1920-1927 - Office of McKim, Mead & White, Architects, N. Y. - Draftsman; Job Captain on commercial and monumental public work  
1927-1930 - Principal in firm LaFarge, Clark and Creighton, N. Y. - design, detailing, specifications, supervision on institutional and residential work.

1930-1945 - Practice as William J. Creighton, Architect, N. Y. - design, detailing, specifications, supervision on commercial and residential work. During World War II served as design engineer for Pan-American Airways, designed Government air fields in South and Central America. Designed shell-loading plant, Prairie, Mississippi. Designed artificial rubber plants in Lake Charles, Mississippi, Baton Rouge, Louisiana. Design engineer for Caribbean - Architect Engineer, Trinidad.

1945-1950 - Principal in firm Toombs and Creighton, Architects, Atlanta, Georgia - commercial, institutional, monumental public work.

1950 to date - Practice as William J. Creighton, Architect, Charles W. Russ, Associate, Atlanta, Georgia - commercial, institutional, monumental public work.

Registration: Architect, National Registration Board and States of Georgia, Florida, Tennessee, Louisiana, New York, South Carolina, Alabama.

Miscellaneous: Listed in "Who's Who in America"; President Georgia Chapter A.I.A. 1948. Member: Beaux Arts Institute of Design. Assistant Professor, Architectural School, University of Pennsylvania, 1916-1917.

Type of Service: Architectural Work; design, development of  
of working drawings, preparation of details,  
specifications, coordination all engineer-  
ing and architectural phases, supervision,  
checking shop drawings, general business  
administration, -all types of structures.

Office: With Charles W. Russ, two draftsmen,  
Secretary-Accountant; additional personnel  
available as required.

Bank Reference: Trust Company of Georgia, Federal Reserve  
Bank of Atlanta, Fulton National Bank,  
First National Bank.

CHARLES W. RUSS, A.I.A.

Education: 3 years Columbia University  
2 years New York University

Military Service: U.S. Army, Private, Ordnance Department  
Active Duty, World War II, 1942-1943

Experience: 1926-1935 - Office of LaFarge, Warren and  
Clark, N. Y. (later LaFarge, Clark and  
Creighton). Chief Draftsman 1930-1935.  
Responsible for working drawings, specifi-  
cations, shop drawings, supervision public,  
commercial, residential work.

1935-1938 - Office of William J. Creighton,  
Architect, N. Y.; Assistant in charge of  
preparation of working drawings, specifi-  
cations, and supervising public, commercial,  
and residential work.

1938-1942 - Office of Randolph Evans, New  
York - Chief Draftsman in charge of public  
and commercial work.

1943-1944 - Assistant Manager, Gauge  
Laboratory, American Type Founders,  
Elizabeth, N. J. - Production Bendix parts  
for Army planes.

1944-1948 - Office Chapman and Evans,  
New York. Two years Chief Specification  
Writer for all work; public buildings,  
housing projects, industrial buildings.  
Two years Assistant to Mr. Evans in charge  
housing and industrial work. Design,  
working drawings, specifications, super-  
vision, administration of work.

1948-1950 - Office Toombs and Creighton,  
Architects, Atlanta, Georgia - Associate -  
design, details, supervision; public  
buildings.

1950 to date - Office of William J.  
Creighton, Architect, Atlanta, Georgia -  
Associate - design, details, working  
drawings, specifications, supervision and  
administration public buildings, residential,  
housing.

Registration: Architect, Georgia  
Miscellaneous: Member, American Institute of Architects,  
Chamber of Commerce  
Bank Reference: Citizens and Southern National Bank

CECIL A. ALEXANDER, JR., A.I.A.

Education: 1 year, Georgia Institute of Technology  
A.B., Yale University, 1940  
1 year, Massachusetts Institute of  
Technology  
B. of Architecture, Harvard University, 1947.

Military Service: Major, Marine Corps Reserve, Fighter Pilot  
Active duty World War II, 1941-1945

Experience: 1940-1941 - Offices of Kahn and Jacobs and  
J. Gordon Carr, both in New York.  
Draftsman on commercial work; industrial  
design.

1947-1948 - Office of Toombs and Creighton,  
Architects, Atlanta, Georgia - Draftsman  
on commercial work; design of commercial  
work.

1948 to date - Principal in firm of  
Alexander & Rothschild, Architects, Atlanta,  
Georgia, design, detailing, specifications,  
supervision, industrial design in con-  
nection with commercial, industrial,  
residential construction.

Registration: Architect, Georgia

Miscellaneous: Member American Institute of Architects,  
Associate Professor of Design, Georgia  
Institute of Technology 1947-1949

Type of Service: Architectural Work; design, development of  
working drawings, preparation of details,  
specifications, coordination all engineer-  
ing and architectural phases, supervision,  
checking shop drawings, general business  
administration - all types of structures.

Office: With Bernard B. Rothschild, one Associate,  
two draftsmen, typist; additional  
personnel available as required.

Bank Reference: Citizens and Southern National Bank,  
First National Bank

BERNARD B. ROTHSCHILD, A.I.A.

Education: B. of Architecture, University of Pennsylvania, 1937

Military Service: Lieutenant, U.S. Naval Reserve, Line Officer. Active duty World War II, 1942 - 1945. Served in Public Works Department for 3 years, Bainbridge, Md. U.S.N.T.S.

1946 - Six months with Shutze & Armistead, Architects, Atlanta, Georgia. Preparation of working drawings.

1946-1948 - Office A. K. Adams, Engineer and Contractor, Atlanta, Ga.; Architect for the Company; design, detailing, specifications, supervision of industrial plants.

1948 to date - Practice as Principal in firm of Alexander & Rothschild, Architects, Atlanta, Georgia; design, detailing, specifications, supervision, commercial, industrial, residential construction.

Registration: Architect - Georgia

Miscellaneous: American Institute of Architects

Type of Service: Architectural Work; Design, development of working drawings, preparation of details, specifications, coordination all engineering and architectural phases, supervision, checking shop drawings, general business administration - all types of structures.

Office: With Cecil A. Alexander, one Associate,  
two draftsmen, typist; additional personnel  
available as required.

Bank Reference: Citizens and Southern National Bank,  
Fulton National Bank.

WILLIAM H. ARMSTRONG, N.S.P.E.

Education: Ohio Northern University, 4 year Technical Course, 1922

Experience: 1923 - New Jersey Highway Department - design of bridges.

1924-1930 - Office of W. C. Spiker, Atlanta, Ga. - Job Captain; design, specifications, supervision.

1930 to date - Practice as Wm. H. Armstrong and Associates - Design, specifications, detailing, supervision, estimates, general consulting practice. Work in concrete, steel, wood for industrial, commercial, military, monumental, housing, bridges, dams.

Registration: Structural Engineer - Georgia and Alabama.

Miscellaneous: Member National Society, Professional Engineers, American Society Civil Engineers, American Concrete Institute.

Type of Service: Structural Engineering, design, development of working drawings, preparation of details, specifications, supervision, checking structural shop drawings, preparation of estimates - buildings, bridges, dams, airports, radio towers, power plant structures.

Office: With Wm. E. Edwards, one Associate, eight draftsmen, one stenographer; additional personnel available as required.

Bank Reference: Trust Company of Georgia

WILLIAM E. EDWARDS, JR.

Education: B.S. in Electrical Engineering, Georgia Institute of Technology, 1935

Experience: 1935-1937 - Georgia State Highway Department, design work in engineering section.

1937-1938 - Otis Elevator Company, Atlanta, Ga. Design and layout of elevator installations.

1938 to date - Practice with Wm. H. Armstrong and Associates. Design, specifications, detailing, supervision, estimates, general consulting work. Design in concrete, steel, wood for industrial, commercial, military, monumental, housing, bridges, dams.

Registration: Structural Engineer - Georgia

Type of Service: Structural Engineering, design, development of working drawings, preparation of details, specifications, supervision, checking structural shop drawings, preparation of estimates - buildings, bridges, dams, airports, radio towers, power plant structures.

Office: With Wm. H. Armstrong, one Associate, eight draftsmen, one stenographer, additional personnel available as required.

Bank Reference: Trust Company of Georgia

ROBERT S. NEWCOMB, N.S.P.E.

**Education:** B.S. in E.E., University of Georgia, 1905  
M.E. Cornell University, 1907

**Military Service:** Captain, Army, Active Duty  
World War I 1917-1919

**Experience:** 1907-1917 - General experience including design, estimating and supervision of electrical and mechanical installations.

1920-1923 - Organization of George A. Fuller Company in Japan. Design and supervision of mechanical installations.

1923 to date - In private consulting practice, Atlanta, Ga., designing plans, specifications, supervision of installation of much of major mechanical and electrical work in southeast.

**Registration:** Professional Engineer, Georgia, Alabama.

**Miscellaneous:** Member American Society Mechanical Engineers, National Society Professional Engineers.

**Type of service:** Electrical, Heating, Plumbing, General Mechanical Engineering - design, preparation working drawings, detailing, specifications, general administration mechanical contracts, supervision - power plants, electrical distribution, heating plants, heating systems, mechanical installations of all descriptions.

**Office:** With Spencer W. Boyd, five Associates, sixteen draftsmen, one secretary-accountant and one secretary. Additional personnel available as required.

**Bank Reference:** First National Bank of Atlanta  
Trust Company of Georgia  
Citizens and Southern National Bank, Atlanta

SPENCER W. BOYD, N.S.P.E.

Education: B.S. in E.E. Georgia Institute of Technology, 1926

Military Service: Lieutenant, U.S. Naval Reserve, Line Officer, Ordnance and General Engineering - World War II 1943-1945.

Experience: 1926-1928 - With General Electric Company testing heavy electrical apparatus.

1928 to date - Private consulting practice, Atlanta, Ga.; design, plans, specifications, supervision of installation of much of major mechanical and electrical work in southeast.

Registration: Professional Engineer, Georgia, Alabama, Tennessee, North Carolina, South Carolina, Kentucky.

Miscellaneous: Member American Society Heating and Ventilating Engineers, American Institute of Electrical Engineers, National Society Professional Engineers.

Type of Service: Electrical, Heating, Air Conditioning, General Mechanical Engineering - design, preparation working drawings, detailing, specifications, general administration mechanical contracts, supervision - power plants, air conditioning systems, electrical distribution, heating plants, heating systems, mechanical installations of all descriptions.

Office: With Robert S. Newcomb, five Associates, sixteen draftsmen, one secretary-accountant, and one secretary. Additional personnel available as required.

Bank Reference: First National Bank of Atlanta  
Citizens and Southern National Bank, Atlanta  
Trust Company of Georgia, Atlanta

H. BOYER MARX

Education: B. of Landscape Architecture, Michigan State College, 1926.

Military Service: 1st Lieutenant, Cavalry, Active Reserve 1926-1941, Active duty 6 months 1942 ordered to inactive status for duration of war.

Experience: 1926-1929 - Office of Bassett and Anspach, Detroit, Michigan, General drafting on city planning and land subdivision work.

1929-1934 - Office of Necropolis Builders, Detroit and Chicago; Associate member of firm and Director of Drafting Room; work included memorial parks and cemeteries.

1935-1938 - With PWA Housing, Washington, D.C., site planning and landscape work for Federal Housing Projects.

1938-1939 - With PWA Housing in field in complete charge of site improvements, landscape work, grading, Federal Housing projects.

1939-1947 - With USHA, Director of Site Planning and Landscape, Region IV; responsible for site planning and landscape work in low rental slum clearance housing projects throughout southeast.

1947 to date - Private practice doing site planning, landscape work, subdivision development for private and government work.

Type of Service: Site planning, site engineering, landscape design, City Planning - design, preparation of working drawings, specifications.

Office: Three Associates and four draftsmen.

Bank Reference: Bank of Georgia

J. PIERCE BASKIN, N.S.P.E.

Education: 3 years at Georgia Institute of Technology

Military Service: U.S. Army, 3 months, 1918.

Experience: 1921-1923, 1938-1941, - Field Engineer with Georgia State Highway Department, in charge of field surveys, drainage surveys, estimating, construction supervision of grading and paving for highways; also layout and construction of highway bridges.

1933-1938 - Superintendent C.C.C. Camp. Work included design and construction of puddle core dam, water and sewage systems.

1941 to date - private practice; surveying, design and construction supervision including design and/or construction supervision of sewer and water systems including disposal and filter plants, air fields, highways, pipe lines, coaxial cables.

Registration: Civil Engineer and Land Surveyor, Georgia.

Miscellaneous: Member National Society Professional Engineers, American Society Military Engineers.

Type of Service: Surveying; sewage and water systems - design, preparation drawings, supervision of construction.

Office: Twenty-five engineers and surveyors.

Bank Reference: National City Bank, Rome, Georgia.
