AMERICAN INSTITUTE OF ARCHITECTS/SAN FRANCISCO CHAPTER

February 23, 1988

Mr. Philip W. Dinsmore, FAIA
Secretary
American Institute of Architects
1735 New York Avenue, N.W.
Washington, D.C. 20006

Dear Mr. Dinsmore:

The attached application for emeritus membership for Donald G. Clever is deserving of special attention. The Chapter's Executive Committee voted to endorse Mr. Clever's application based on his contributions to the profession.

Mr. Clever was a certified building designer for 35 years until 1986, when he was "grandfathered in" as a registered architect. He applied for AIA membership and was accepted in that year. He is now 72 years of age and retired except for occasional consulting projects, such as arranging for a fellow architect, Donn Emmons, to speak at Yokohama's International Symposium on Waterfront Development in Japan or collaborating with architect Tib Tusler of SMP concerning an organ transplant hospital in Hokkido, Japan. He states that "use of the respected AIA designation has been impressive, especially in my negotiations for the status conscious Japanese."

The American Institute of Architects, San Francisco Chapter, urges your favorable ruling on Donald G. Clever's application for emeritus membership.

Sincerely,

Alexander Bonutti
Secretary
