My dear Sir:

Acting for the Secretary, I am pleased to advise you of your election to membership in the American Institute of Architects, effective January 2, 1917.

You will receive later the Proceedings of the Fiftieth Convention; and the Year Book for 1917, which in addition to the membership records contains the official documents of the Institute relating to matters of professional practice.

The enclosed statement for dues should receive early attention, as the engrossed Certificate of Membership is not sent until the dues for the first year have been paid, and election becomes void for non-payment within three months of this date.

May I take this opportunity to say that the office of the Institute at the Octagon is for the service of every Institute member. Should the occasion arise, we will be glad to give you our best cooperation.

Very truly yours,

Executive Secretary.

Dear Mr. Parker:

Having moved from Cedar Rapids, Iowa, to Denver, associating myself with the old firm of Gardner & Parry, the new concern to be named as per this letterhead, I presume it is best for me to transfer my membership in the Institute from the Iowa Chapter to the Colorado Chapter.

The enclosed communication, through the kindness of Eugene H. Taylor, secretary of the Iowa Chapter, will advise you of my standing in the Chapter, and endorses my transfer to Colorado.

I presume that this will be all that is necessary on my part to accomplish the transfer, but if further measures are required, kindly let me know.

Yours very truly,

Dear Mr. Dieman:

As you know, the Institute is most hopeful that you will maintain your professional society affiliations, both with the national organization and with the South Texas Chapter.

Your indebtedness for Institute dues at the present time is \$75.00, including the current year.

At the Fall meeting of the Board of Directors, on November 19th, some action must be taken with respect to those delinquents who are indebted for a long period.

This letter is an informal one, to remind you of the situation, and to express the very earnest hope that you can send a check for at least \$25 by November 15th, thus permitting the Board to hold your membership in both the Institute and the Chapter for at least another year.

Please do the best you can to make the suggested payment on account.

Sincerely yours,

Secretary.

Dear Mr. Baldwin:-

I should have answered your letter of Nov. 30 before this but have been out of the city a great deal of the time and another reason was that I was in hopes of raising some money to pay at least part of my past dues.

Had a little work for the past few months in an adjoining city but when I tried to collect it was not to be had.

I hardly know what to tell you, some of my prospects at Houston are still up in the air and I cannot promise any payments at the present time.

I know your obligations call for drastic measures and I'll have to abide by them until such time as I can pay up past dues and ask for reinstatement.

I feel as sorry about this as you do but I am hoping for the best in this coming year.

May the New Year be good to all the members of the A.I.A. and may it continue in its good work.

March 1, 1932.

Dear Mr. Dieman:

It is with genuine regret that I write, as Secretary of the Institute, to advise you of the termination of your membership in the Institute and your Chapter, effective December 31, 1931, for non-payment of Institute dues.

The Treasurer, and the Secretary's Office, sent to you various statements of account and letters in the hope that you would find it possible to make a remittance, in whole or in part, and thereby continue your affiliation with The American Institute of Architects and your Chapter.

It is realized that conditions in the building industry have remained on a most unfavorable basis during the past year, and for that reason the Institute made a special effort to retain your membership as long as possible.

It is believed that you will approve of the action taken. The alternative was to allow the dues to so increase as to make future reinstatement a heavy expense.

May I venture to express the personal hope that conditions in your locality will soon improve, and that you will then make application for reinstatement in the Institute and the Chapter?

The reinstatement procedure is easy and can be accomplished by addressing a letter to the Secretary of the Institute, through the Secretary of the local Chapter.

With best wishes, and with the hope that we may soon regain you as a member of The American Institute of Architects, I am

Sincerely yours,

Secretary.
