Dear Mr. Dubois:

We are in receipt of your letter of December 26th, requesting that your name be dropped from the roll of A.I.A. members.

Before taking such action, however, it has occurred to us that in view of your many years of membership you may be eligible for election as a Member Emeritus of The Institute. Such membership would permit you to retain all the rights and privileges of members but would exempt you from the payment of further dues to The Institute and the Chapter.

Enclosed is an application for Membership Emeritus, and if you find that you are eligible, please fill it in and return it to this office. It could be submitted to the next meeting of The Board of Directors - probably to be held in April, 1945 - for consideration and action.

In any event, we are withholding acceptance of your resignation until we hear from you relative to the above suggestion.

Sincerely yours,

Executive Secretary

Dear Mr. Kemper:

In reply to your letter of March 9, 1945, I wish to advise that Mr. William Dubois of Cheyenne, Wyoming, is a Member of the Colorado Chapter in good standing. Although Mr. Dubois' chapter dues for the year 1945 have not as yet been received by the Treasurer, such dues would not become delinquent until January 1, 1946.

Mr. Dubois is well known and well liked by members of the Colorado Chapter. His request to you for resignation from corporate status in the A.I.A. came as a surprise to his Denver friends.

Mr. Roland Linder has just advised me that business will take him to Cheyenne within the next few days and that he will see Mr. Dubois while there. It may be that Mr. Dubois will reconsider after talking to an old friend - let's hope it turns out that way.

Yours very sincerely,

Paul Atchison - Secretary

NOTICE

September 1, 1945.

To Members Indebted for Dues:

The following section from the by-laws of The Institute is called to the attention of each member whose Institute dues have not been paid in full:

CHAPTER I, ARTICLE 2, SECTION 4:

Section 4. Default of Annual Dues.

(a) When Members Become in Default.

(a-1) *Default after March 31.* Every corporate member paying graded dues as provided in paragraph (a-2) of section 3 of this article who has not paid one-half or more of his dues for the then current fiscal year, and every member paying regular dues as provided in paragraphs (a) and (b) of section 3 of this article who has not paid one-third or more of the annual dues for the then current fiscal year on or before March 31 of said year shall be in default for the unpaid amount.

(a-2) *Default after September 1.* Every corporate member paying graded dues as provided in paragraph (a-2) of section 3 of this article who has not paid the entire amount of his annual dues for the then current fiscal year, and every member paying regular dues as provided in paragraphs (a) and (b) of section 3 of this article who has not paid two-thirds or more of the annual dues for the then current fiscal year on or before September 1 of said year shall be in default for the unpaid amount.

(a-3) *Default at Close of Year.* Every member who has not paid the entire amount of the annual dues for the then current fiscal year on or before December 31 of said year shall be in default for the unpaid amount.

(b) *Suspensions for Default.* The membership of a member who is not in default on the first day of the fiscal year of The Institute but who is in default at the close of the last day of said year, *ipso facto* shall be suspended for default at the close of the last day of the fiscal year in which the default occurs.

(c) *Period of Suspensions for Default.* The Board may carry the name of a member suspended for default on the membership rolls for not more than twelve months after his membership has been suspended as prescribed

in paragraph (b) of this section, during which period he may restore his membership by paying his indebtedness, without applying for readmission. Members under suspension shall not be relieved of the payment of annual dues because of such suspension.

(d) Termination of Memberships for Default.

(d-1) *Terminations for Default of Institute Dues.* If a member is in default for any Institute dues at the end of his twelve months period of suspension, then *ipso facto* his membership shall terminate.

On or before thirty days before the end of the year of suspension The Secretary shall give the suspended member a final notice in writing of the amount of his default and of the impending termination of his membership. Other than giving this final notice, The Institute shall not be required to notify any member of his default to The Institute or of the penalty therefor; provided, that a due bill for the annual dues for the fiscal year in which his default occurred was mailed to him at the beginning of the said year.

(d-2) *Termination for Default of Chapter Dues.* The Board shall terminate the membership of any corporate member who is indebted to the chapter to which he was assigned or transferred upon the written request of the governing board of the said chapter. Upon receipt of such request, The Secretary shall give the corporate member written notice of the impending termination, and The Board shall act thereon at its first meeting thirty days or more after the sending of the said notice.

(e) *Posting of Names.* The Secretary may publish in The Bulletin a list of all members in default; provided, that in no case shall the amount of a member's default be published.

The effects of the above quoted provisions of the by-laws are as follows:

All members who are in default on December 31, 1945, for Institute dues for the current year, or any part thereof, will have their memberships automatically suspended on December 31, 1945.

All members who are in default on December 31, 1945, for Institute dues for the year 1944, or any part thereof, will have their memberships automatically terminated on December 31, 1945.

The Institute is striving not only to maintain but also to increase the solidarity of the profession during this critical period. This must be done if architects are to have their place in the post-war reconstruction program. Will you please make a special effort to support your national organization by giving early attention to your account, a statement of which is enclosed.

*I sent my resignation in to
Mr. Kemper on Dec. 26-1944.
Should have reached you by this time.*
Enclosure

ALEXANDER C. ROBINSON, III,

Secretary.

September 26, 1945

Dear Mr. Atchison:

With further reference to correspondence with you concerning the pending resignation of Mr. William Dubois of Cheyenne:

In our letter of March 20 we stated that any action on the resignation would be held until we received further word from you - hoping that Mr. Dubois might reconsider his decision to resign.

It has been necessary, under established procedure, to continue to send statements to Mr. Dubois for his 1945 Institute dues, and recently, he returned a statement with a longhand note reading as follows:

"I sent my resignation in to Mr. Kemper on Dec. 26-1944. Should have reached you by this time."

Apparently, Mr. Dubois has not changed his decision, and we feel that, in view of his recent note, it will be necessary to act on his request.

In your letter of March 14th you advised that he is in good standing in the Colorado Chapter; therefore, the resignation has been accepted, effective as of January 1, 1945, inasmuch as his resignation was received on December 29, 1944, and his dues were paid in full at that date.

Sincerely yours,

Executive Secretary
