My dear John:-

Nothing would give me greater pleasure than to propose you for membership in the American Institute of Architects, and if I have the privilege, I will do so, but I am only a Fellow of the Institute and not a member of the Chapter. The rule now is I believe, that to become an Institute member you have first to become a member of the local Chapter; this rule was made since I joined.

Please let me know if I am eligible to propose you; I should esteem it not only a pleasure but a privilege.

You may use my name
