Dear Sir:-

The enclosed Application for Corporate Membership in the Boston Chapter of the American Institute of Architects is incomplete in one respect:- viz:-I have but one signature of endorsement, Mr. Jens Frederick Larson, formerly of Hanover, N.H., and now with offices in New York City.

Membership in the Institute is very limited in this section of Vermont, and since my practice is almost entirely local, I do not have many opportunities to become associated with A.I.A. members elsewhere. However, if the Board of Membership investigation wishes, I will be very happy to provide exhibits of my work for their consideration.

At the present moment, ~~the~~ I am doing Architectural work for the following concerns and individuals,:-

Bridgewater Woolen Co., Bridgewater, Vt., Three Duplex Houses and an addition to the present Boiler House.
Valley View Creamery, Wallingford, Vt., addition and alteration to milk processing plant and Cheese rooms.
Seward's Dairy, Rutland, Vt., new \$100,000.00 Dairy Bar and Ice Cream mfg. plant with milk pasteurization.
Rutland Junior College, Rutland, Vt., Alterations to Community House to provide quarters for newly organized Junior College.
Congregational Church, Rutland, Vt., alterations to Parsonage, and Organists apartment.
Canney-Plue, Inc., Rutland, Vt., Plumbing Wholesalers, new addition and alteration to warehouse and offices.
Leeds Furniture Co., Rutland, Vt., Alterations to provide two new displays floors for "Furniture Makers Guild" Furniture.
Paul's Dry Cleaners, Rutland, Vt., new Marble Store Front.

Dear Mr. Dean:

We are in receipt of the application for corporate membership of Mr. Ernest L. Erickson, 36 South Main Street, Rutland, Vermont. We are enclosing the duplicate of Mr. Erickson's application herewith.

Mr. Erickson states in a letter of February 3, attached to the original of his application, that he is unable to obtain a second proposer for his application as membership in The Institute is very limited in the section of Vermont where he lives and since his practice is entirely local therefore he has not had many opportunities to become associated with members of The Institute.

Under the by-laws of The Institute, applicants must be proposed by two corporate members of The Institute in good standing.

We shall appreciate it if you will secure a second signature for Mr. Erickson. Accordingly his application is sent herewith for that purpose. As soon as the application is returned, we shall give it our best attention.

Yesterday representatives of that Company were in this office and the case of Mr. Erickson was discussed. I understand from the Insurance Company that there is still a question as to whether or not Mr. Erickson's policy was in force at the time of the accident referred to. They, however, agreed to give it every consideration.

If there are any further developments in which we can be of assistance, please let me know.
