Mr. E. C. Kemper, Executive Director,
American Institute of Architects
1741 New York Avenue
Washington, D. C. -6-

Dear Mr. Kemper:

Mr. Robert D. Farquhar, a Fellow and Member of the Institute and this Chapter since 1912 has requested that some action be taken with reference to his membership. Mr. Farquhar is now seventy-six years of age and has more or less retired from active practice and therefore feels that he can no longer carry the burden of his Chapter and Institute dues.

Because of the above request and Mr. Farquhar's long standing of thirty-six consecutive years as a member of the Institute and this Chapter, the Executive Committee at their last meeting passed a resolution waiving his Chapter dues for 1948. Likewise the Executive Committee recommends that the Institute take similar action waiving his 1948 dues and granting Mr. Farquhar a Membership Emeritus as of January 1st, 1948.

We feel that Mr. Farquhar is highly deserving of Membership Emeritus and therefore we will greatly appreciate favorable action by the Institute.

Sincerely yours,

Anthony Thormin

The Southern California Chapter has recommended that you be elected a Member Emeritus of The Institute, which would have the effect of relieving you of the payment of further dues to The Institute and the Chapter, while retaining all the rights and privileges of corporate membership.

It appears that you are eligible for this class of membership, and an application form is enclosed for your signature.

Please return the executed application to this office, and it will give us pleasure to put it forward.
