Chicago 1, Illinois

Dear Mr. Bachman:

The Jury of Fellows has reported to me the following action it has taken on nominations from your Chapter before it of corporate members who were considered for advancement to Fellowship:

Elected to Fellowship: Harry Mohr Weese

Herewith is copy of letter of notification to Mr. Weese which is self-explanatory.

The Department of Public Information has asked me to advise you that although a national release announcing all of the new Fellows will be issued, your Chapter is urged to supplement this announcement with a release of its own. This release should describe the new Fellow's accomplishments and, if applicable, the prominent building he has designed in your area. Photos of his work and his portrait also should be made available to the press.

It is suggested that a member of your Chapter Public Relations Committee take the release personally to your local newspaper editors as well as to the radio and television stations. In doing so, however, it is imperative that the release date, as noted, be strictly observed. (This is necessary to avoid ill feeling on the part of the news media.)

Referred to Meeting of the Jury in 1962: Charles Draper Faulkner

Any further material that you wish to submit in connection with this nomination should be received by The Jury of Fellows at The Octagon by January 1, 1962.

Sincerely yours,

J. Roy Carroll, Jr., F.A.I.A.

Gentlemen:

The Chicago Chapter wishes to augment the material submitted in support of the nomination of Charles D. Faulkner to Fellowship for Design. It is taking the unusual procedure of addressing this letter to you in behalf of Mr. Faulkner, whose nomination is being considered for the third consecutive year.

The bulk of Mr. Faulkner's practice lies in the field of Christian Science Church Design. This denomination has had a long established orientation towards traditional design for its Houses of Worship and it is our belief that in this area Mr. Faulkner's work well merits his advancement to Fellowship.

The Chapter firmly subscribes to the principles underlying the bestowal of fellowships and over the years has been very selective in presenting its nominations, which, considering the size of the Chapter, have been relatively few in number.

The Chapter is aware of the difficulties of the task of selection with which the Jury is charged but hopes that its nomination of Mr. Faulkner will meet with the approval of the Jury.

Sincerely,  
Committee on Fellowship

Dear Mr. Faulkner:

Our office received your letter of March 5, 1971, informing us that you are resigning from the American Institute of Architects, Chicago Chapter.

Mr. J. Faulkner, you are entitled to submit your application for Emeritus in which you would be dispensed from paying any dues and still receive and retain any privileges of a Corporate member.

National headquarters will be sending you an Emeritus application to complete.

However, if you are not interested in becoming an Emeritus member, you will have to notify the National office of your resignation, for it is not possible to resign from the chapter, without resigning from the National A.I.A.

Thank you for your prompt attention to this matter.

Sincerely,

Mrs. Jackie Durava

Gentlemen:

I am returning to you herewith your dues invoice for 1981 as my father passed on December 31, 1979.

Possibly of some interest to the Institute would be the fact that my father was active as a practicing architect since graduating from the Illinois Institute of Technology and receiving his license to practice in the State of Illinois in 1913 to his passing. Although he retired from our partnership in mid-1979 he remained as a consultant to our firm - in total 66 years as an active member of the profession.

During that period he was licensed in 32 states where his firm and the succeeding partnership performed work. He joined the Institute in 1942 and served as a member of the Board of Directors and officer of the Chicago Chapter.

Sincerely,

Charles D. Faulkner, Jr.
