Dear Mr. Fant:

Thank you for your recent letter giving us the history of your architectural firm. Certainly your firm qualifies for inclusion in our directory of firms in continuous existence since before World War I. I wonder if you would be good enough to answer a few more questions for us.

If known, or easily accessible, we would like to have the past addresses of the firm with dates. Also, do you have any drawings from before World War I? If not, where are they? Lastly, what is your policy on retaining your drawings?

We appreciate your interest in our project and I look forward to hearing from you again.

Faithfully,

Catha Grace Rambusch
