Southern Illinois Chapter, A.I.A.

Bellefonte, Illinois

Dear Mr. Potter:

On behalf of Secretary Wilson, I am responding to your letter of April 15th.

The application of Mr. William L. Flippo is being held in abeyance until we receive the report on his status as a registered architect, about which you were notified in January. The Committee on Membership of the A.I.A. cannot act on applications without such reports.

These forms are not supplied unless specifically requested, which is the reason you did not receive them with the application forms. A supply had been delivered to your predecessor and it was taken for granted he still had some on hand or he would have ordered an additional supply.

A supply is being forwarded to you today, by Parcel Post.

With regard to the membership certificates for Messrs. Delbert Louis Dudenbostel and William Gray Potter, elected to membership on May 25, 1955:

At that time certificates were forwarded to chapter secretaries for presentation to the new members at a chapter ceremony. If you can contact the officer in charge then, perhaps the certificates can be located. If not, we can order duplicates to be made. Please let us know if this should be done.

Sincerely yours,

(Miss) Florence H. Gervais

Dear Mr. Flippo:

Your application for Life Membership in The Institute was submitted to The Executive Committee of The Board of Directors at its last meeting and was approved. In the meantime, however, you had asked that \$50.00 of the \$100.00 you had submitted be applied to 1961 dues. In order to make your application effective, it will be necessary for you to promptly forward the additional \$50.00, and your Life Membership can then become activated in accordance with the Bylaws, copy of which is enclosed.

Your attention should be called to the fact that at the 1961 Convention the class of Life Membership may be abolished, in accordance with the recommendation of The Board of Directors. Therefore, if you intend to pursue this matter, you should take action prior to the Convention.
