Dec. 30, 1932.

Board of Directors,
The American Institute of Architects,
C/o Mr. Walter W. Hook, Sec.-Treas.
The North Carolina Chapter,
Charlotte, N. C.

Gentlemen:

Please accept my resignation as a member of The American Institute of Architects and The North Carolina Chapter. I am sending this to the Chapter Secretary who I understand will promptly forward to the Institute for official action.

Frankly my only reason for this resignation is on account of scarcity of funds, and I want to get out at this time while in good standing instead of waiting until my dues are behind.

I hope to come back in the Institute and Chapter when conditions are suitable.

Regreting it is necessary to take this step, I am

Dear Mr. Flannagan:

Your letter of resignation under date of December 30, 1932, has been received, with regret, through the Secretary of the North Carolina Chapter, Mr. Walter W. Hook.

As you know, severance of Institute Membership also carries with it termination of Chapter Membership.

Neither the Institute nor the North Carolina Chapter can afford to lose your affiliation and support.

The Officers and Directors of the Institute are keenly aware of the financial problems which confront every practicing architect.

At the last meeting of the Executive Committee of the Institute it was directed that resignations of members, submitted on account of the economic crisis, be not accepted at present. Therefore, the Institute asks that you continue your affiliation with the national body and with the North Carolina Chapter - on the understanding that at the end of 1933, if conditions have not improved, your resignation will be accepted by the Institute, effective December 31, 1932, - if you so request.

May I add a personal word to this general statement of policy? We simply cannot afford to lose from the Institute men like yourself. Many of us believe that 1933 will show some improvement in the practice of architecture. We must stand together, and we must carry on.

Please accept this letter as confidential, and please be advised that we are continuing you on the records at The Octagon as an active member of the Institute and the North Carolina Chapter - throughout the year 1933 - unless you specifically order otherwise.

Sincerely yours,

Mr. Eric G. Flannagan, A.I.A.,

Dear Mr. Baldwin:

I wish to thank you for your kind letter of the 13th. instant. The proposition you are making me is certainly very reasonable, and I gladly accept it.

With this extension of time I hope that things will improve so that I will never have to give up my membership. I realize that the Institute is very valuable to the Architectural Profession, and I want to see it continue with its good work.

|| Since you asked me to accept the letter as confidential, I have not even notified the Chapter of my acceptance of your offer, so will expect you to do this.

My dear Mr. Flannagan:

At the November meeting of the Executive Committee of the Institute, your resignation was reported, but was not acted upon.

The members of the Committee did not want to lose your support of the Institute and the North Carolina Chapter at this critical time for the architectural profession.

In view of the recommendation of the Committee, to be made to the Convention, that the dues be reduced and that old accounts be readjusted, it is hoped that you can find it possible to continue your membership.

Herewith is copy of President Russell's letter of January 1st, which is self-explanatory.

If the new plan is approved, your indebtedness of \$25.00 for 1933 will be remitted; you will be entitled to a credit of \$5.00 a year on the books of the Institute for the next five years; and your net annual dues for 1934 will be \$10.00.

There will be a meeting of the Board in early May, in advance of the Convention. It is specially requested that you advise as to your wishes in this matter - that is, shall your resignation stand, or will you continue with the Institute and the Chapter under the conditions indicated above.

But we hope very much that you will follow the latter course.

Sincerely yours,

Executive Secretary.

My Dear Mr. Kemper:

Referring to your letter of January 17th about
the proposed reduction in dues.

I will continue with the Institute and Chapter under ~~the~~
the conditions indicated.

I cannot pay the dues at this time, but hope to
in the near future.

I realize that the Institute needs all that it
can possibly get at this time, however, I believe the
reduction in dues will help in the long run by
less resignations and an increase in new members.
