Dear Mr. Kittle:

As you know, every corporate member of The Institute must be assigned to a local chapter and pay dues to that chapter.

When local dues remain unpaid, the chapter may request The Institute to suspend or terminate the membership.

It is a long-established policy of The Board of The Institute to support the chapter in this procedure, but not without making every effort to bring about the restoration of the good standing of the corporate member concerned.

The Florida South Chapter has requested that your membership in The Institute and the Chapter be terminated for non-payment of your 1954, 1955 and 1956 dues.

The purpose of this letter is to suggest that you clear your account with the Chapter, or request that the outstanding dues be waived for good and sufficient reasons - to preserve your membership in the A.I.A.

Your response to the above will be greatly appreciated, not later than June 1st, for we must proceed to act on the Chapter's recommendation that your membership be terminated, at the first meeting of The Committee on Membership held thereafter, if the past dues are not paid by that date.

The Secretary of the Florida South Chapter is Mr. Irvin Korach, 1630 Lenox Avenue, Miami Beach, Florida, should you wish to communicate with him in this matter.

NOTICE OF SUSPENSION OF MEMBERSHIP

To: **William E. Kittle**
250 North East 18th Street
Miami, Florida

It is with much regret that we send to you, and to your chapter secretary, this notice of the suspension of your corporate membership in The Institute, and in its component organizations to which you are assigned—because of non-payment of Institute dues.

This suspension is effective as of December 31, 1958. The sending of this notice has been delayed with the earnest wish that you might take some action in the matter.

The purpose of The Institute in permitting a membership to be suspended at the end of the year for default of dues rather than terminated forthwith is to enable the member in default to restore his membership within the period of suspension, without applying therefor and without paying a readmission fee. The period of grace terminates on December 31 of the year next following the date of suspension: in your case, on December 31 of the current year.

At any time during the period of suspension you may restore your membership to good standing by paying to The Institute your defaulted dues.

We sincerely hope that circumstances will make it convenient for you to meet your present obligation to The Institute before December 31, 1959.

The Institute values and needs your active support. The other Officers join with me in the hope that your membership may soon be restored to good standing.

Sincerely yours,

Secretary.

NOTICE OF SUSPENSION OF MEMBERSHIP

To
Mr. William E. Kittle
1060 Brickell Ave.
Miami, Fla.

February 28, 1962
Date

In accordance with the request of the **Florida South Chapter, A.I.A.** Chapter that your membership be suspended for your indebtedness to it, The Board, as required by the provisions of Chapter I, Article 2, Section 4, paragraph (b-2), of The Institute by-laws, suspended your membership in The Institute and in all its chapters and state organizations of which you are a member, effective

February 18, 1962

In this connection, your attention is called to the provision of the By-laws of The Institute which reads:

"A corporate member is not in good standing in The Institute or in any of its component organizations if he is under suspension. Immediately upon the suspension of a corporate member, his rights in The Institute and in any of its chapters or state organizations shall be withdrawn until he is restored to good standing."

Your dues to The Institute and the chapter will continue during the period of your suspension.

The purpose of The Institute in permitting a membership to be suspended for default of dues rather than terminated forthwith is to enable the member in default to restore his membership within the period of one year from the date of suspension, without paying a readmission fee and without applying therefor. The period of grace in your case terminates one year from the date of your suspension unless your indebtedness for dues is taken care of in the interim.

If your good standing is not restored before the end of this period then your membership in The Institute and its component organizations may be terminated by The Board of The Institute upon recommendation of the Chapter.

The Board regrets your suspension and hopes that you will soon restore your good standing by payment of all outstanding indebtedness for Institute and/or chapter dues.

Dear Mr. Kittle:

As you are aware, every corporate member of The Institute must be assigned to a local chapter and pay dues and assessments levied by that Chapter.
