94th CONVENTION

THE AMERICAN INSTITUTE OF ARCHITECTS

* * * * *
* * * * *

Hotel Roosevelt
June 22-26, 1959
New Orleans, Louisiana

Will Mr. Bradley P. Kidder, please come forward?

The Edward C. Kemper Award of 1959 will now be bestowed on Bradley P. Kidder, former Mountain States Regional Director and former Chairman of the Board's Committee on Committees.

Brad Kidder is from Santa Fe, New Mexico, and has, as you all know, richly deserved this recognition for his many significant contributions to the Institute and the profession.

Your citation reads:

The American Institute of Architects, with affection and gratitude, bestows the most intimate of its honors, THE EDWARD C. KEMPER AWARD, upon BRADLEY PAIGE KIDDER.

To the Institute's problems, and particularly to the complex of its many committees, with manifold purposes and overlapping functions, you have brought the dedication of a keen and constructive mind and a selfless urge to establish order and serve your fellows. The result has been a committee structure designed to serve both the Institute and the entire profession -- a monumental contribution that is typical of what you have given to the Institute as a member and as a Regional Director.

... (Applause) ...
