Dear Mr. Fernandez-Ramirez:

The Board of Directors of the American Institute of Architects takes pleasure in informing you that it has acted favorably on your application and welcomes you to corporate membership in the Institute.

In the near future, some literature concerning the Institute will be mailed to you together with a lapel emblem. In approximately two months you will receive a certificate of membership, either directly from the Institute or through formal presentation by your Chapter.

You are assigned to the Puerto Rico Chapter and the New York State Association of Architects, AIA, effective December 1, 1966.

I sincerely hope that you will take an active and interested part in your Chapter's activities. The Chapter is the cornerstone of the Institute's strength where the policies which advance our profession are developed. Members who are active in Chapter affairs gain the most from AIA as professional men and provide the leadership which AIA needs to meet the challenges and opportunities which the future holds for architecture.

I want you to feel free to call on any of the Institute officials or staff members any time the need arises.

Sincerely yours,

Dear Mr. Batlle:

We have received a copy of your letter to Mr. Fernandez in which you state that you have eliminated his name from your list of active members.

Would you please send us more information as to why the Chapter is dropping him. As you know, it is not possible for an AIA member to continue his membership without chapter affiliation and if Mr. Fernandez is resigning, we will have to make it clear to him that it will also be necessary for him to resign from the national AIA.

We would appreciate your early reply.

Sincerely yours,
