Dear Mr. Feustmann:

Please accept our thanks for your letter of June 28th, enclosing check for \$10.00 on account of your 1932 dues as a member of The American Institute of Architects. We have credited your account, accordingly.

While the Institute is always ready to accept the member's note for his unpaid dues, in your particular instance we do not think it would be necessary, just at this time. If you will send in payments on account whenever you can do so, between now and the end of the current year, that will be entirely satisfactory.

However, if at the end of the year the balance still remains unpaid, then we believe it would be advisable to submit a note for the balance due, as this action would enable the Treasurer and the Board of Directors to continue your name through 1933.

We sincerely hope that conditions will begin to improve by the end of this year - and surely, before 1933 is very far advanced.

Sincerely yours,

Executive Secretary.

Dear Mr. Feustmann:

We have been advised by Mr. Stephen F. Voorhees, Past President of The Institute, of your desire, expressed at the time of the Convention in Boston, to be assigned to the chapter of The Institute in which territory you reside.

Such assignment would be to the Central New York Chapter, of which Mr. Conway L. Todd, 315 Alexander Street, Rochester, New York, is President, and Mr. Walter V. Wiard, of the same address, is Secretary.

For the record, we should have a letter from you confirming the above, after which The Secretary will be in a position to complete the necessary procedure and advise the chapter accordingly.

Awaiting your response, we are

Sincerely yours,

Executive Secretary.
