Re: Anthony Ferrara, A.I.A.

At 2:00 P.M. this afternoon we received a telephone call from a Mr. Hurley at Howard University, who wished to receive some salient facts concerning Mr. Ferrara which he might use in preparing introductory remarks at the time of Mr. Ferrara's appearance at some function at that School tonight.

Inasmuch as you were not available, and Miss Call could find no information in your records, I did what I could to secure something for him.

What I was successful in getting together is touched on the attached Memo. which was read to Mr. Hurley over the telephone, and with which he appeared to be satisfied.

This memorandum is furnished to you in case it should be useful on some future occasion.
