This is my resignation from the Northern California Chapter of the American Institute of Architects. I have resigned from my present position as Campus Architect for the University of California to become effective Friday, April 13, 1973. Mrs. Fifield and I are moving immediately back to San Diego where I intend to become associated with the firm of Richard George Wheeler and Associates, Architects and Engineers.

It will be my desire to apply for membership in the San Diego Chapter of A.I.A. Will you please advise them that my dues have been paid for 1973, except for the Convention Pre-registration Fee. I have known for some time that I would be moving away from San Francisco before the time of the Convention, and would not be able to return to participate in the activities; hence the reason I have not paid the Pre-registration Fee.
