A member, by virtue of his membership in The Institute, becomes a member of the chapter of The Institute within the territory of which he resides or has his place of business, as he elects, but he pays an admission fee to The Institute only. The admission fee to membership in The Institute normally is twenty-five dollars. (For 1936 this fee was reduced to five dollars.)

A member pays annual dues both to The Institute and to the chapter. The annual dues to The Institute normally are twenty-five dollars (for 1936 Institute dues were reduced to twenty dollars) and those to the chapter are fixed in its by-laws.

Normally the period between the time of filing

an application and the time it is acted on by The Board of The Institute is four months. The period will be longer if the application must be returned to the applicant for corrections or if additional exhibits of the applicant's work are required by The Board of Examiners.

If an application is denied, the amount prepaid by the applicant for annual dues and for admission fee, less five dollars for examination fee, will be returned to him.

An applicant whose application has been denied without prejudice may reapply for admission to membership a year or more after the date of The Secretary's notice to him of his non-admission.
