Dear Miss Fritsch:

On behalf of the Secretary, we are pleased to acknowledge your application for membership in The American Institute of Architects, received by reference from the Oregon Chapter, with check for \$20.00.

At the meeting of the Board of Directors, in December, the annual dues for 1936 were increased from \$15.00 to \$20.00. Therefore, all applications now received for Institute membership must be accompanied by payment in the amount of \$25.00 - \$5.00 for the initiation fee and \$20.00 for the first year's dues in advance.

The payment received by you has been applied to your first year's dues, subject to election; and there still remains the requirement of an additional payment in the amount of \$5.00 to be applied to the initiation fee.

In every other respect your application is complete, and when the additional \$5.00 is received, we shall be in a position to put your application forward to election.

Within the current month we expect to hold a meeting of the Board of Examiners for consideration of applications now ready, and we hope that we will hear from you so that your application may be included.

Sincerely yours,

Executive Secretary

Dear Mrs. Fritsch:

Your telegram of February 1, indicating that check for \$22.12 was being forwarded in order to avoid the suspension of your Institute membership, led us to hope that we would be able to keep your membership in good standing.

However, the check failed to come in and we are now faced with the necessity of sending you a suspension notice - which we certainly do not want to do.

Entirely without authority (meaning that we are disregarding established Institute procedure) we are holding up a suspension notice until April 15.

If you can possibly send check to reach here by that date, it will indeed be appreciated.

Dear Mr. Kemper:

Upon my return from southern Oregon I found your letter regarding my payment of dues for last year.

I checked with the bank and no record of the check which I mailed you on February 1st has been received by them but should it turn up it will not be honored. I wondered why it had not come through on my March statement.

I am enclosing a cashier's check for the amount of the dues and protest charges. Please accept my apology for all the trouble which I have been to you and my thanks for extending the time for me.

NOTICE OF SUSPENSION OF MEMBERSHIP

To: Mrs. Margaret Goodin Fritsch
602 Concord Bldg.
Portland 4, Oregon

It is with much regret that we send to you, and to your chapter secretary, this notice of the suspension of your corporate membership in The Institute, and in its component organizations to which you are assigned—because of non-payment of Institute dues.

This suspension is effective as of December 31, 195 . The sending of this notice has been delayed with the earnest wish that you might take some action in the matter.

The purpose of The Institute in permitting a membership to be suspended at the end of the year for default of dues rather than terminated forthwith is to enable the member in default to *restore his membership within the period of suspension, without applying therefor and without paying a readmission fee.* The period of grace terminates on December 31 of the year next following the date of suspension: in your case, on December 31 of the current year.

At any time during the period of suspension you may restore your membership to good standing by paying to The Institute your defaulted dues.

We sincerely hope that circumstances will make it convenient for you to meet your present obligation to The Institute before December 31, 195 .

The Institute values and needs your active support. The other Officers join with me in the hope that your membership may soon be restored to good standing.

Sincerely yours,

Secretary.
