NOTICE OF IMPENDING TERMINATION OF CORPORATE MEMBERSHIP

**Mr. Charles Z. Klunder, Jr., AIA  
701 Spruce Street  
Philadelphia, Pennsylvania 19106**

**Dear Mr. Klunder:**

As you are aware, every corporate member of The Institute must be assigned to a local chapter and state organization where such exists and pay dues and assessments levied by that chapter and state organization.

When local dues and assessments remain unpaid, the chapter or state organization may request The Institute to terminate the membership.

It is a long-established policy of The Board of Directors of The Institute to support the chapter and state organization in this procedure, but not without making every effort to bring about the restoration of the good standing of the corporate member concerned.

The state organization to which you are assigned has requested that your corporate membership be terminated for non-payment of 1967 dues.

The purpose of this letter is to suggest that you make payment of these outstanding dues, thus preserving your corporate membership in good standing.

Your response to the above will be appreciated prior to **April 15, 1968** for we must act on the recommendation to terminate your membership unless it is withdrawn by that date.
