NOTICE OF SUSPENSION OF MEMBERSHIP

To: **Irwin Klein**
238 N. Park Ave.
Buffalo 16, N. Y.

It is with much regret that we send to you, and to your chapter secretary, this notice of the suspension of your corporate membership in The Institute, and in its component organizations to which you are assigned—because of non-payment of Institute dues.

This suspension is effective as of December 31, 1960. The sending of this notice has been delayed with the earnest wish that you might take some action in the matter.

The purpose of The Institute in permitting a membership to be suspended at the end of the year for default of dues rather than terminated forthwith is to enable the member in default to *restore his membership within the period of suspension, without applying therefor and without paying a readmission fee.* The period of grace terminates on December 31 of the year next following the date of suspension: in your case, on December 31 of the current year.

At any time during the period of suspension you may restore your membership to good standing by paying to The Institute your defaulted dues.

We sincerely hope that circumstances will make it convenient for you to meet your present obligation to The Institute before December 31, 1961.

The Institute values and needs your active support. The other Officers join with me in the hope that your membership may soon be restored to good standing.

Sincerely yours,

SECRETARY

Mr. Theodore Biggie, Secretary
Buffalo-Western New York Chapter, AIA
185 Niagara Street
Buffalo, New York

Dear Mr. Biggie:

We are writing in connection with the membership of Mr. I. Klein.

In view of the action of the 1965 Convention in abolishing "suspension for non-payment of dues", it is no longer possible to continue to carry members in this capacity.

With specific reference to the above member's case, he has been carried as "suspended" because the chapter requested that he not be restored to good standing.

We are now obliged to restore his name to the Institute's mailing list. Likewise, if he is current with his dues to the chapter, all rights should be restored to him at that level, if this has not already been done.

Should he still be in arrears, the Institute will proceed with the termination of his membership for non-payment of Chapter and/or State Organization dues, upon receiving your recommendation to that effect.

Sincerely yours,

Maureen Marx, Manager

NOTICE OF IMPENDING TERMINATION OF CORPORATE MEMBERSHIP

Mr. Irwin Klein, AIA
238 North Park Avenue
Buffalo 16, New York

Dear Mr. Klein:

As you are aware, every corporate member of the Institute must be assigned to a local chapter and pay dues and assessments levied by that Chapter.

When local dues and assessments remain unpaid, the chapter may request the Institute to terminate the membership.

It is a long-established policy of the Board of Directors of the Institute to support the chapter in this procedure, but not without making every effort to bring about the restoration of the good standing of the corporate member concerned.

The Buffalo-Western New York Chapter has requested that your corporate membership be terminated for non-payment of Chapter dues.

The purpose of this letter is to suggest that you make payment of outstanding dues, thus preserving your corporate membership in good standing.

Your response to the above will be appreciated prior to June 2, 1966, for we must proceed to act on the Chapter's recommendation to terminate your membership if payment for past chapter dues is not received by that date.

Sincerely yours,

Maureen Marx, Manager
