Dear Mr. Scheick:

I have been a corporate member of the New York Chapter, A.I.A. since 1946.

My professional experience is mainly confined to architectural research work in the New York State Division of Housing and Community Renewal.

Since the benefits of our research work are disseminated throughout the continental U.S.A. and abroad, my professional interests are not confined to the geographic area assigned to the New York Chapter.

Since good many of my personal friends, with whom I share a kinship since my student days, are members of the Queens Chapter, I would like very much to transfer my membership to the Queens Chapter.

May I please have your approval to do so.

Sincerely,

Joshua D. Lowenfish

Dear Mr. Lowenfish:

We are pleased to respond to your letter of November 12.

The requirements for membership emeritus are set out in the form attached and if you qualify under the second or third condition, please check it off, sign and return the form to this office.

Members Emeriti are permitted to remain in the AIA and their Chapters indefinitely with full rights and privileges while being relieved of further dues payments to both groups.

In the event that you are eligible for emeritus status, do you still want to transfer to the Westchester Chapter? This would be entirely up to you and would hinge, I suppose, on whether you intend to continue to participate in local activities.

Sincerely yours,
