Dear Mr. Leuders:

We wish to acknowledge, with gratification and on behalf of the Secretary, your application for membership in The American Institute of Architects and the New Jersey Chapter, with payment of the initiation fee and first year's dues in advance - subject to election.

Your application appears to be in good form, except for the submission of the customary exhibits of your architectural work. These should consist of photographs and working drawings of two buildings executed by you. They need not be specially prepared, but may be taken from the office files and will be returned carefully, later.

If the exhibits which you send are from the office files of Mr. Stein, it is possible that a letter to this effect, from Mr. Stein, would suffice for the information of the Board of Examiners in lieu of the submission of exhibits. A meeting of the Board of Examiners will be held in a day or two, so if you can reply within that time such a letter may reach The Octagon in time to be presented to the Board at this meeting.

Sincerely yours,

Executive Secretary.

Dear Mr. Kemper:

Mr. Albert Lueders of our office has shown me your letter of November 19th in regard to his application for membership in the American Institute of Architects and the New Jersey Chapter.

Mr. Lueders has been in my office for fifteen years. For some years now he has been responsible for a large part of the office work on some of our most important jobs. By office work I mean not only drafting, but the development of both structural and mechanical work, as well as details of design. Among the jobs for which Mr. Lueders has had a great part of the responsibility are: Phipps Garden Apartments, Hillside Homes, and Phipps Garden Apartments Addition. The latter job is an excellent example of Mr. Lueder's work as he carried out the greater part of the work as shown on the drawings which he is submitting. As this job is under construction at present he is submitting photographs of the first unit on which he also worked.

Cordially yours,

Dear Mr. Kemper:

Due to Mr. Stein's illness, there has been a delay in getting his letter from him. Mr. Stein wrote this letter yesterday and is sending it under separate cover.

I am enclosing a copy of this letter in case Mr. Stein's letter is delayed. I am also sending under separate cover a set of plans for the Phipps Garden Apartments Addition, for which I was partly responsible as Mr. Stein mentions. There are also two photographs of the old Phipps Garden Apartments.

Hoping that these are satisfactory to you and the board of examiners, I remain,

Sincerely yours,

Dear Mr. Lueders:

We are prepared to advise you formally of your election to the Institute, but due to the action of the Board of Directors at its December meeting, in increasing the annual dues from \$15.00 to \$20.00, we write to ask for an additional payment of \$5.00 to cover in full your annual dues for the year 1936.

You will recall that the check, which accompanied your application, paid the annual dues for 1936 on the basis of \$15.00.

A By-law requirement makes this letter necessary, so please do not think that we are too technical.

Sincerely yours,

Executive Secretary.

Dear Mr. Kemper,

I was very glad to receive your letter of January 6th advising me of my election to the Institute, pending your receiving my check to make up for the increase in the annual dues. Believe me, I do not think you are being too technical. I am only sorry that my application was received during the time that the increase in dues was made, causing you the trouble of writing to me. I am therefore enclosing herewith a check for five dollars.

While I have already attended the last three meetings of the New Jersey Chapter, I am looking forward to the time when I can actively participate in the functions of the Institute as a full fledged member.

Thanking you for your kind consideration,

Gentlemen:

When I received the enclosed billing last year, I advised you that I was retiring from active practice as of January 1, 1967. Subsequently I received a letter from your office stating that since the local chapter must first act on such matters, my resignation was being sent to them.

I then received a letter from the Membership Committee of the Washington Metropolitan Chapter expressing their regrets but noting that I was eligible for Membership Emeritus. If I wanted that status, I should fill out the enclosed form.

This I did and sent the form to The Washington Metropolitan Chapter office. I have received no further notice until the enclosed billing was received.

Since I have formally notified your office and that of the local chapter of my retirement, the billing is being returned herewith.

Very truly yours,

Gentlemen:

The Executive Board of the Washington Metropolitan Chapter seeks your support in retaining its long term and valued member, Albert D. Lueders.

In November of 1966, Mr. Lueders tendered his resignation to take effect January 1, 1967 due to his retirement from active practice. Although a member of the AIA since 1936, Mr. Lueders is only 62 years old and his retirement is not due to any physical ailment. He is, therefore, not yet eligible for Membership Emeritus. We are most anxious that Mr. Lueders, a member of thirty years standing, not resign.

At its meeting of November 13, 1967, the Executive Board of the Washington Metropolitan Chapter unanimously agreed to respectfully urge your favorable consideration of a waiver of Mr. Lueders' Institute dues for the years 1967, 1968 and 1969, at which time he will be eligible for Emeritus status.
