Dear Mr. Teague:

Your application for membership in The Institute and its North Texas Chapter, dated October 30, 1941, with your check for \$10.00 attached, has been received. Your desire to become a member of The Institute is appreciated by The Board.

The application is in due order, except in one respect: The Board of Examiners will need photographs of two buildings executed by you as exhibits of your architectural work. If an applicant has been licensed to practice architecture by a written examination The Board may waive the submission of exhibits.

Therefore, as your application states that you are registered by exemption in Texas, exhibits of your work should accompany the application.

The Board of Examiners will hold its next meeting on January 6, and we hope you will be able to comply with this request in good time so that your application may be considered at that meeting.

Sincerely yours,

Secretary

NOTICE OF SUSPENSION OF MEMBERSHIP

To: Mr. James Eldric Teague
2607 Connecticut Avenue
Washington, D. C.

March 1, 1951

It is with much regret that we send to you, and to your chapter secretary, this notice of the suspension of your corporate membership in The Institute, and in its component organizations to which you are assigned—because of non-payment of Institute dues.

This suspension is effective as of December 31, 1950. The sending of this notice has been delayed with the earnest wish that you might take some action in the matter.

The purpose of The Institute in permitting a membership to be suspended at the end of the year for default of dues rather than terminated forthwith is to enable the member in default to *restore his membership within the period of suspension, without applying therefor and without paying a readmission fee.* The period of grace terminates on December 31 of the year next following the date of suspension: in your case, on December 31 of the current year.

At any time during the period of suspension you may restore your membership to good standing by paying to The Institute your defaulted dues.

We sincerely hope that circumstances will make it convenient for you to meet your present obligation to The Institute before December 31, 1951.

The Institute values and needs your active support. The other Officers join with me in the hope that your membership may soon be restored to good standing.

Sincerely yours,

Clair W. Ditch
Secretary.

Dear Mr. Geren:

In re: Status of Corporate Member

On behalf of The Secretary, we are responding to yours of February 26th, with regard to Messrs. James E. Teague and Arthur Witt.

Mr. Teague was transferred from the Fort Worth Chapter to the Washington-Metropolitan Chapter as of November 1, 1949, and his name should have been removed from your Chapter roster at that time.

Incidentally, his corporate membership has been terminated as of December 31, 1951, as we are unable to locate him and he is delinquent in his Institute dues.

Mr. Witt is not a corporate member of The Institute. Therefore, it is entirely within the jurisdiction of the Chapter to remove his name from its roll.
