Gentlemen:

Enclosed please find an application for corporate membership
from Mr. Sydne Schleman.

I must call your attention to the fact that Mr. Schleman
maintains his principal office for the practice of architec-
ture in Middletown, N. Y. Of course he is outside the ter-
ritory of the Bronx Chapter. However, his interests and
professional friends are in the Bronx and he would prefer
to be assigned to the Bronx Chapter. If this is not permit-
ted by the constitution and by-laws of the Institute, please
advise.

We regret that there was some difficulty encountered at one time, but trust that this has been satisfactorily taken care of. Gentlemen:

Your document A-201 is well written in so far as vesting authority to the architect. IT is very unfortunate that the contractor has to be a party to such a partial paper.

The conditions in this document protect the incompetent and unscrupulous architect especially, and serves as a shield for this scoundrel.

I think it is the duty of your organization to investigate any complaint against a member, as to his conduct.

I wish to register a complaint against Sydne Schleman Asso. Montgomery Road, Middletown, New York for abusing the privileges vested him, to protect his shortcomings.

It is also my opinion that members who do not abide to certain ethics in administering the conditions set forth in your document should be barred from membership.
