Re: Dues for 1981
Emeritus Membership

Gentlemen:

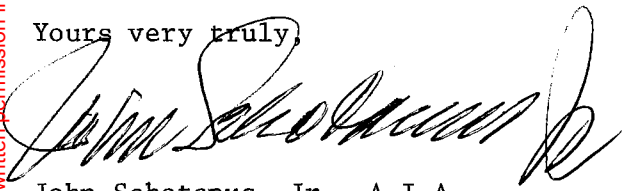

At the suggestion of our Chapter Administrative Secretary, I am writing to verify membership dues applicable in 1981 for my membership.

I have filed application for Emeritus Membership due to my age (70, April 1, 1981), and to my participation in a partnership as a part time consultant with only a limited amount of time applied to professional practice.

I have verified the local chapter and state society dues requirements, but the national assessment presents an unanswered problem, based on the three month regular and nine month emeritus status.

I would appreciate your immediate answer to this so that I can finalize this within the proper time period. I have had a corporate membership since 1958.

Yours very truly,

John Schotanus, Jr., A.I.A.
