Dear Madam,

Listed below is additional information regarding my employment in the past. In as much as three years of employment are a pre-requisite to registration in the State of Michigan we were taking it for granted that this requirement would be filled.

October, 1956 to December, 1959 I was employed in the office of Glenn M. Beach, 1023 South Jefferson, Saginaw, Michigan.

I hope this answers the question, if not please contact us and we will be happy to give you further information.

Very truly yours,

Gentlemen:

As you are aware, every corporate member of The Institute must be assigned to a local chapter and state organization when such exists, and pay dues and assessments levied by the chapter and state organization.

When local dues remain unpaid, the component may request The Institute to terminate the membership.

It is a long-established policy of The Board of Directors of The Institute to support the components in this procedure but not without making every effort to bring about the restoration of the good standing of the corporate member involved.

The chapter to which are assigned has requested that your corporate membership be terminated for nonpayment of 1971 and 1972 chapter dues.

The purpose of this letter is to suggest that you make payment of all outstanding dues and thereby preserve your membership.

Your response will be appreciated prior to August 25, 1972, for we must act on the recommendation to terminate your membership unless it is withdrawn by that date.

Messrs. Blacklock and Schwartz
