A member, by virtue of his membership in The Institute, becomes a member of the chapter of The Institute within the territory of which he resides or has his place of business, as he elects, but he pays an admission fee to The Institute only. The admission fee to membership in The Institute normally is twenty-five dollars. (For 1936 this fee was reduced to five dollars.)

A member pays annual dues both to The Institute and to the chapter. The annual dues to The Institute normally are twenty-five dollars (for 1936 Institute dues were reduced to twenty dollars) and those to the chapter are fixed in its by-laws.

Normally the period between the time of filing

an application and the time it is acted on by The Board of The Institute is four months. The period will be longer if the application must be returned to the applicant for corrections or if additional exhibits of the applicant's work are required by The Board of Examiners.

If an application is denied, the amount prepaid by the applicant for annual dues and for admission fee, less five dollars for examination fee, will be returned to him.

An applicant whose application has been denied without prejudice may reapply for admission to membership a year or more after the date of The Secretary's notice to him of his non-admission.

Dear Mr. Kemper:

Please find enclosed the application of Mr. Paul Schweikher, whose application the Chapter is very anxious to have accepted at the earliest possible moment. Mr. Schweikher, although not until now a member of the Institute, has been and will be of invaluable assistance in our Atelier activities, and we are about to issue a program on which we are anxious to have his name printed as a member.

In view of the urgency of this matter I have not waited for a meeting of the Executive Committee, but I have received and have in my files a unanimous favorable vote by our Executive Committee covered by letter from each member, a copy of which letter is enclosed. From the paragraph at the bottom of the page you will note that each member of the Executive Committee has agreed to act favorably in this matter at our next meeting of the Executive Committee.

Needless to say, this Chapter would be very grateful to you for any efforts you may make in forwarding this matter.

Dear Mr. Schweikher:

Your application for membership in The Institute and its Chicago Chapter, dated July 21, 1939, with your check for \$25.00 attached, has been received. Your desire to become a member of The Institute is appreciated by The Board.

We are sorry that it is necessary to return your application inasmuch as it only bears the signature of one endorser. It is required by the By-laws that applicants for corporate membership in The Institute must be endorsed by two members of The Institute in good standing.

If you will secure the signature of a second endorser and return the application to this office, it will be in due order for submission to The Board.

You may rest assured that The Secretary will do everything he can to expedite its progress.

Sincerely yours,

August 30, 1939

My dear Miss Hager:

Responding to your letter of August 28 with regard to the status of the application of Mr. Paul Schweikher for Institute membership:

The application is complete except in the matter of information regarding his registration to practice in the State of Illinois.

We have sent two communications to the Registration Board of Illinois under dates of August 9 and August 28, and as yet have had no response. This is unusual, as customarily reports on registration of architects in Illinois are received promptly from the Board. Perhaps the delay is due to the vacation season.

If Mr. Schweikher has some evidence of his current license to practice which he could send in support of this application, it will take care of this requirement.

The next meeting of the Board of Examiners is scheduled for Tuesday, September 5, at 11 A.M. If the above document is received by that time, Mr. Schweikher's application can be acted upon promptly.

This same situation applies in the application of Mr. Raymond Gregori, which is also ready for consideration with the exception of evidence of his registration to practice.

Sincerely yours,

Executive Secretary.

Gentlemen:

We received today your second request for information regarding the record of registration of Mr. Paul Schweikher, Roselle, Illinois and Mr. Raymond Gregori, Chicago, Illinois.

I regret to inform you that Professor L. H. Provine is out of town until September 5, and these complete forms cannot be mailed to you until that date.

According to the records in Professor Provine's office, Mr. Gregori's name appears upon the list of registered architects in the State of Illinois. His certificate is No. 1676, issued March 1, 1920, by examination and he is in good standing for the year ending June 30, 1940. He does not hold the Certificate of the National Council of Architectural Registration Boards.

According to our records, a Mr. R. P. Schweikher is listed as having passed the registration examination in December, 1938. We hope that this will be sufficient information for tentative affirmative action on these applications, subject to confirmation by Professor Provine.

Yours very truly,

The American Institute of Architects  
1741 New York Avenue, N. W.

Gentlemen:

You will please accept my resignation from the American  
Institute of Architects.

My reasons for resigning are many, varied. They include an  
accumulated dissatisfaction with the effectiveness of the  
Institute in national affairs; its apparent condonement of  
poor conduct; its ethics that are more business-like than  
professional; its election to membership of the incompetent;  
its elevation to fellowship of the mediocre by the mediocre--  
in this respect no real distinction between the politician  
and the artist; its lack of principle: its acceptance of the  
imitative and the creative alike without discrimination; its  
poor local standard.

From this broad condemnation I exclude the good works, the  
good members that I know. Unfortunately, both the good works  
and the good members are too little to offset the common poor.

My dues for 1951 are not paid. You may bill me for what is  
due.

Very truly yours,

Paul Schweikher

Dear Mr. Schweikher:

It is with much regret that we have received your letter of January 25th tendering your resignation as a member of The Institute.

The Institute always has worked for the betterment and satisfaction of its members and the profession as a whole and it is with distress that we learn of your sentiments. When you are next in Washington please stop in at the headquarters office and let us talk things over. Perhaps we could arrive at a mutual understanding whereby you would wish to retain your Institute membership.

Also if there are any specific instances to which you have reference, we should be glad to hear further from you.

Regretting the circumstances which have prompted this correspondence, I am

Dear Mr. Purves:

It is good of you to write as you do about my resignation from the Institute. Please, nevertheless, accept my resignation now.

Sometime, when in Washington, I will remember your invitation and may come to talk with you.

Specific people and actions are a background for one or two of the reasons given for resigning. The people and the actions are known to the Institute. The mechanism for correction is in its constitution. For the rest, my differences are those of the individual with the institutionalized group--probably not reconcilable.

Sincerely,

Paul Schweikher

Dear Morgan:

You may recall our correspondence early in the year with regard to the resignation submitted by Paul Schweikher as an A.I.A. member.

Your last communication asked that we delay action until we heard from you again as you intended to talk with him, yourself.

We have had to send Mr. Schweikher bills for his 1951 dues, the last of which he has returned referring to his resignation of January 25th of this year.

Can you let us know what had best be done in the matter at this time?

Yours sincerely,

Dear Mr. Purves:

On January 25, 1951 I wrote to you resigning from the  
American Institute of Architects.

On February 8th I replied to your letter of February 1st  
and confirmed my resignation.

On July 12th, upon receipt of a bill for annual dues, I  
wrote the general office referring them to my letter of  
resignation and to its confirmation.

I return to you now another bill for annual dues which  
was accompanied by a warning notice and ask that you  
give this matter your personal attention, having my name  
removed from your address files, the address files of the  
Institute, and especially those of the Treasurer.

It is this kind of foolishness that led me to resign in  
the first place.

Very truly yours,

  
Paul Schweikher

NOTICE

September 1, 1951.

To Members Indebted for Dues:

The following section from the by-laws of The Institute is called to the attention of each member whose Institute dues have not been paid in full:

CHAPTER I, ARTICLE 2, SECTION 4:

Section 4. Default of Annual Dues.

(a) *When Members Become in Default.*

(a-1) *Default after March 31.* Every corporate member paying graded dues as provided in *paragraph (a-2) of section 3 of this article* who has not paid one-half or more of his dues for the then current fiscal year, and every member paying regular dues as provided in *paragraph (a) of section 3 of this article* who has not paid one-third or more of the annual dues for the then current fiscal year on or before March 31 of said year shall be in default for the unpaid amount.

(a-2) *Default after September 1.* Every corporate member paying graded dues as provided in *paragraph (a-2) of section 3 of this article* who has not paid the entire amount of his annual dues for the then current fiscal year, and every member paying regular dues as provided in *paragraph (a) of section 3 of this article* who has not paid two-thirds or more of the annual dues for the then current fiscal year on or before September 1 of said year shall be in default for the unpaid amount.

(a-3) *Default at Close of Year.* Every member who has not paid the entire amount of the annual dues for the then current fiscal year on or before December 31 of said year shall be in default for the unpaid amount.

(b-1) *Suspensions for Default.* The membership of a member who is not in default on the first day of the fiscal year of The Institute but who is in default at the close of the last day of said year, *ipso facto* shall be suspended for default at the close of the last day of the fiscal year in which the default occurs.

(b-2) *Suspension for Default of Chapter and/or State Organization Dues.* The Board, or a committee of one or more of its members to which it has delegated the power, shall suspend the membership of a member who is not in default of chapter and/or state organization dues on the first day of the fiscal year of the chapter or state organization, but who is in default at the close of the last day of said year, upon the written request of the governing board of said chapter or state organization.

(c) *Period of Suspensions for Default.* The Board may

carry the name of a member suspended for default on the membership rolls for not more than twelve months after his membership has been suspended as prescribed in *paragraph (b-1) of this section*, during which period he may restore his membership by paying his indebtedness, without applying for readmission. Members under suspension shall not be relieved of the payment of annual dues because of such suspension.

(d) *Termination of Memberships for Default.*

(d-1) *Termination for Default of Institute Dues.* If a member is in default for any Institute dues at the end of his twelve months period of suspension, then *ipso facto* his membership shall terminate.

On or before thirty days before the end of the year of suspension The Secretary shall give the suspended member a final notice in writing of the amount of his default and of the impending termination of his membership. Other than giving this final notice, The Institute shall not be required to notify any member of his default to The Institute or of the penalty therefor; provided, that a due bill for the annual dues for the fiscal year in which his default occurred was mailed to him at the beginning of the said year.

(d-2) *Termination for Default of Chapter and/or State Organization Dues.* The Board, or a committee of one or more of its members to which it has delegated the power, shall terminate the membership of any corporate member who is indebted to the chapter and/or state organization to which he was assigned or transferred upon the written request of the governing board of the said chapter or state organization; provided said member has been suspended by The Institute at the request of the chapter or state organization or has been in default to it for the full period of the preceding fiscal year. Upon receipt of such request, The Secretary shall give the corporate member written notice of the impending termination.

(e) *Posting of Names.* The Secretary may publish in The Bulletin a list of all members in default; provided, that in no case shall the amount of a member's default be published.

The effects of the above quoted provisions of the by-laws are as follows:

All members who are in default on December 31, 1951, for Institute dues for the current year, or any part thereof, will have their memberships automatically suspended on December 31, 1951.

All members who are in default on December 31, 1951, for Institute dues for the year 1950, or any part thereof, will have their memberships automatically terminated on December 31, 1951.

Will you please make a special effort to support your national organization by giving early attention to your account, a statement of which is enclosed.

Secretary.

Dear Mr. Schweikher:

I can understand your annoyance in your letter of September 6, but I wish to advise you of the circumstances.

When your original resignation was received, we immediately contacted the Chicago Chapter, as is customary, and were requested by an official of the Chapter to withhold any action on the resignation until we heard further from him. Unfortunately, he has not written to give us any further information, and in the meantime you have been carried on the rolls of The Institute. However, your resignation will be acted upon now at the earliest possible moment and will, of course, be made effective as of the date of its submission, January 25, 1951.

Dear Mr. Brocker:

We have received your letter of February 22nd regarding the status of Paul Schweikher at the time his membership was terminated.

Since Mr. Schweikher's resignation was accepted as a member in good standing on January 29, 1951, his application should be accompanied with a check for \$60.00 which will be applied as follows: \$50.00 - one year's dues in advance subject to readmission; and \$10.00 - readmission fee.

With the exception of dues payments, as outlined above, the process for readmission is the same as for an original applicant: An application should be secured from the chapter and reviewed by the chapter; and then forwarded to The Institute along with the applicant's check and the chapter's recommendation for final action and consideration.

We will be looking forward to receiving Mr. Schweikher's application for readmission in the near future.

Mr. Paul Schweikher, A.I.A.  
5935 Fifth Avenue  
Pittsburgh 32, Pennsylvania

Dear Mr. Schweikher:

The Board of Directors of The American Institute of Architects takes pleasure in informing you that it has acted favorably on your request for readmission and welcomes you again to corporate membership in The Institute.

You are assigned to the Pittsburgh Chapter and the Pennsylvania Society of Architects of The A.I.A., effective October 16, 1961, and will remain a member of that Chapter until your membership in The A.I.A. terminates; or unless you wish to have your chapter assignment transferred elsewhere, should the opportunity present itself.

I sincerely hope that you will take an active and interested part in your Chapter activities. The Chapter is the cornerstone of The Institute's strength where the policies which advance our profession are developed. Members who are active in Chapter affairs gain the most from A.I.A. as professional men and provide the leadership which A.I.A. needs to meet the challenges and opportunities which the future holds for architecture.

I want you to know that The Secretary's Office is at your service to the fullest extent of its powers.

By direction of The Secretary.

Sincerely yours,

William H. Scheick, A.I.A.  
Executive Director

Mr. Robert L. Durham, President  
American Institute of Architects  
Octagon House

Dear Mr. Durham:

With this letter I wish to resign once again from the AIA.

In my resignation of January 25, 1951, I had a specific bill of complaints. This is not now the case, although, of course, many of the general inadequacies still persist in the organization in spite of the decided improvements in the last decade. I resign now, I think, merely because I am basically not an organization man and cannot respond as I should to local or even national obligations.

I wish particularly to express my gratitude to all members of the Pittsburgh Chapter of the AIA and to the membership of the Pennsylvania Society of Architects. All have been most gracious in receiving me here in Pennsylvania and in Pittsburgh. If there are occasions on which I may be useful to the chapter in Pittsburgh, the association in Pennsylvania, and the Institute in general, I hope that you will instruct me.

Please accept this as an unalterable decision.

Sincerely,

Paul Schweikher

Dear Mr. Schweikher:

On behalf of President Durham, this will acknowledge receipt of your letter dated October 11th in which you tender your resignation as a corporate member.

We are sorry that you have made that decision. However, as there appears to be little likelihood of your reconsidering, we will accept your resignation as soon as we are advised of your standing in the Pittsburgh Chapter and Pennsylvania Society of Architects.

It is our sincere hope that you will reapply for admission in the near future. If we can be of any assistance to you in the interim, please feel free to call upon us.

With best wishes.
