Dear Mr. Scribbins:

As you know, every corporate member of the Institute must be assigned to a local chapter and pay dues to that chapter.

When local dues remain unpaid the chapter may request the Institute to suspend or terminate the membership.

It is a long-established policy of The Board of Directors of the Institute to support the chapter in this procedure, but not without making every effort to bring about the restoration of the good standing of the corporate member concerned.

The Chicago Chapter, to which you are assigned, has requested that your membership in the Institute and the Chapter be terminated for non-payment of chapter dues.

The purpose of this letter is to express the hope that you will find it possible to take care of your chapter and Institute dues at an early date, thus preserving your corporate membership; or request that they be waived for good and sufficient reasons.

Your response to the above will be greatly appreciated, not later than September 12th, for we must proceed to act on the Chapter's recommendation that your membership be terminated at the meeting of the Committee on Membership to be held on September 16th, if the past dues are not paid by then.

The Secretary of the Chicago Chapter is Mr. Morton Hartman, should you wish to communicate with him in this matter.

Sincerely yours,

Florence H. Gervais  
Secretary of Membership and Records
