Dear Mr. Lacey:

The Secretary is happy to inform you that your application for membership in The Institute was acted on favorably by The Board of Directors and that you were admitted to corporate membership in The Institute and assigned to membership in the Central New York Chapter, effective July 20, 1949. The policies and the activities of The Institute are developed largely from problems arising within the chapters. Gentlemen:

After a little over forty-six years of practice, I am in the process of retiring. I have not accepted any new commissions since January 1, 1975 and plan to retire soon after my last job is completed this Fall. I believe I have been a member of A.I.A. since 1949. Is there any type of inactive membership available to retirees? If so, what are the yearly dues? I am unable to find any reference to what happens when you are turned out to pasture.

Also, do you have any suggestions or information on how best to terminate a business that has been in operation in my family for 104 years? Any help you may be able to give me will be greatly appreciated.

Sincerely,

*George T. Lacey*
