Dear Luther:

We are glad to have your opinion on the usefulness of Agreement Form B-121. This form will not be discontinued. It is being revised somewhat, however, so that its content will be in line with the longer form, B-131 as recently revised. In this way we will be able to make the shorter form available to architects who prefer it.

Since taking my new job here, I have been running into many old friends from Carnegie Tech and elsewhere. I certainly hope there will be occasion to see you again in the not too distant future.

Dear Mr. Lord:

Responding to your inquiry of June 12th, with regard to the previous filing of the nomination of Luther Lashmit, A.I.A., for advancement to Fellowship:

I find that it was filed in October, 1957; was considered by The Jury of Fellows at its 1958, 1959, and 1960 meetings. It was at the 1960 meeting that it was passed over for the third time and dropped from the Jury's agenda.

The By-laws provide that any prohibition for re-nomination shall not extend beyond a four-year period beginning with the date of the first nomination.

As I figure it, then, Mr. Lashmit may now be nominated for advancement to Fellowship again. As you will recall, the deadline for filing this year will be November 1, 1961.
