Membership in the American Institute of Architects

Objects: The objects of the American Institute of Architects are to organize and unite in fellowship the Architects of the United States, to combine their efforts so as to promote the æsthetic, scientific, and practical efficiency of the profession, and to make the profession of ever-increasing service to society.

The American Institute of Architects desires and invites the membership of every practicing architect, or architectural draughtsman, who is willing to join with his professional brothers in upholding and promoting the principles and ideals of service for which the American Institute stands.

Conditions of Membership: Any resident of the United States, who is a practicing architect, or an architect engaged in professional education, or an architectural draughtsman, is eligible to membership if able to submit the required proofs of his or

her professional capacity and honorable personal and professional standing.

and professional standing.

The Chapter Relation: Chapters of the Institute are local groups of Institute members and associates organized under a form of Chapter Constitution and By-Laws which provides a standard relationship to the Institute, with varying provisions for local organization and effort. An applicant for Institute membership is assigned, upon election, to the chapter within whose territory he has his business headquarters. If he resides in the territory of one chapter and has his busines headquarters in the territory of another, he may make a choice in his application.

another, he may make a choice in his application. Initiation Fee, Dues and Journal: The initiation fee is \$5.00 which must accompany the application. The dues are \$20.00 a year of which \$2.50 is for one year's subscription to The Journal of the A. I. A.

General Requirements and Proof of Professional Ability

Educational Requirements and Experience: No exhibits of executed work or technical examination are required of an applicant who can qualify under the provisions contained in the following paragraphs, but every such applicant must send with his application in lieu of exhibits of executed work, and as evidence of the proper educational equipment, his certificate of graduation, or his scholarship award, or some authoritative writing which is satisfactory proof of such graduation or scholarship award.

Those not qualifying under Group I should send

exhibits as required under Group II.

Group I. Exhibits are not required: Of graduates in Architecture of the Massachusetts Institute of Technology, Columbia University, University of Pennsylvania, Cornell University, Harvard University, the University of Illinois, the University of Michigan, Carnegie Institute of Technology, the University of California, Washington University, Syracuse University, the University of Minnesota, the University of Oregon and the University of Kansas: * *

Oregon and the University of Kansas: * *
Or from those who have held accredited scholarships of the American Academy at Rome, Columbia University, Cornell University, the Pennsylvania Academy of Fine Arts, Washington University, or holders of the Rotch, McKim, or Stewardson Scholarships, the winners of the Paris Prize of the Society of Beaux Arts Architects or the Alumni Fellowship of the University of Pennsylvania; or from those who have passed the qualifying examinations of the Royal Institute of British Architects or the examinations for the first class of the Ecolè des Beaux Arts.

Practical Experience: Applicants applying under these general requirements shall have had not less than two years' experience as practicing architects; or three years as draughtsmen; or two years as draughtsmen and one year in practice.

Unanimous Endorsement: No exhibits of executed work are required in any case when the applicant has the unanimous endorsement of his chapter. Unanimous endorsement is that endorsement in which each Institute member of the chapter had an opportunity to express himself by letter ballot either for or against the member proposed and in which there were no negative votes. A letter from the chapter secretary to this effect should accompany the application.

Group II. Exhibits are required: Applicants not qualifying under Group I, unless they have unanimous endorsement, should accompany their applications with simple exhibits of executed work consisting of working drawings and photographs of two executed buildings. These exhibits may be taken from the office files and need not be specially prepared. They are returned in due course. Such applicants shall have been in independent practice at least three years, or have served five years as draughtsmen.

The architectural draughtsman is not required to submit exhibits of which he is the publicly recognized designer, but he must send two such exhibits of which he can truthfully say he was the principal author, although the work was done in

the office of another.
