Dear Ned:

I have been remiss in keeping in touch. However, I was injured November 1, 1957, while riding in a friend's car in Los Angeles. Generally, it knocked my spine into an "S" shape and put me out of circulation for six months. On the bright side, it may have been a blessing in disguise, because I decided to return to God's Country. I am a yokel at heart, you know.

Since my return to Idaho, I have been with Charlie Johnston, immediate past president of the Idaho Chapter. In addition to plenty of commercial and school projects, I am back to my first love - hospitals, and have ~~my~~ the time of my life. We are now doing a 30 bed general hospital for John Day, Oregon.

Forgive my silence.

Belatedly, best of the New Year to you.

Sincerely,

Thomas M. I. Leake

Of course it was good to hear from you, but I was dreadfully sorry to learn of all the trouble you have had. It sounds as if you were really in a bad accident.

Dear Ned:

Last month I reentered private practice. How good it seems, you can well imagine.

It is my understanding that the Octagon makes assignments of corporate members to chapters when a State border is involved. Being located in Ontario, Oregon, I am just across the Snake River from Idaho, 60 miles from Boise and 400 miles from either Eugene or Portland, Oregon. Hence, it would seem logical that I should remain a member of the Idaho Chapter. No question has been raised by anyone, I am writing for my own information and to initiate whatever action is in order.

Advance publicity coverage of the Convention makes me sorry I shall be unable to attend this year. Holding a good thought for you, I do hope it is an outstanding success.

Sincerely,

THOMAS M. I. LEAKE, AIA

P.S.: John Maloney, of Seattle, was in the office day before yesterday. Told me of Waldo Christenson's untimely death. God's judgement must be sanctified but to those of us who knew him well, he will live a long, long time as the little guy who spark-plugged so much that was godd for for the Northwest and the Institute as well. Our sympathy certainly goes to Eleanor.

Mr. Purves -

Mr. Leake is now assigned to the Idaho Chapter, and inasmuch as transfers are not compulsory it would seem well to let the situation ride, especially as no question has been raised.

Technically, of course, he is in the territory of the Oregon Chapter, now, that he is located in Ontario, Oregon.

Dear Tommy:

Yours of the 23rd was at hand when I returned from a brief vacation in the White mountains.

Transfers are not compulsory, so I would suggest that you just let the situation ride. To the best of my knowledge, no one has raised any question and it would certainly seem common sense for your to remain a member of a chapter which is accessible to you rather than one whose principal cities are of considerable distance from you.

It has been several years since I last saw you. I trust I may be coming your way sometime.

With all good wishes.

Dear Tom:

Yours of the 5th is at hand, together with the enclosures.

We are extremely sorry to advise you that we did not receive your letter of March 15th nor your check in the amount of \$50.00 for your 1960 Institute dues. We have made a careful review of our files and find no record whatsoever of the check or your letter of March 15th. Apparently it went astray in the mails.

It would be my suggestion that you stop payment on the check, No. 278, and send another one to us to cover your dues. Should the first check ever show up here we will return it to you.

Sincerely yours,

NOTICE OF SUSPENSION OF MEMBERSHIP

To: Mr. Thomas M. I. Leske
P. O. Box 896
Waldport, Oregon

It is with much regret that we send to you, and to your chapter secretary, this notice of the suspension of your corporate membership in The Institute, and in its component organizations to which you are assigned—because of non-payment of Institute dues.

This suspension is effective as of December 31, 1961. The sending of this notice has been delayed with the earnest wish that you might take some action in the matter.

The purpose of The Institute in permitting a membership to be suspended at the end of the year for default of dues rather than terminated forthwith is to enable the member in default to *restore his membership within the period of suspension, without applying therefor and without paying a readmission fee.* The period of grace terminates on December 31 of the year next following the date of suspension: in your case, on December 31 of the current year.

At any time during the period of suspension you may restore your membership to good standing by paying to The Institute your defaulted dues.

We sincerely hope that circumstances will make it convenient for you to meet your present obligation to The Institute before December 31, 1962.

The Institute values and needs your active support. The other Officers join with me in the hope that your membership may soon be restored to good standing.

Sincerely yours,
