My dear Mr. Taylor:

At the December meeting of the Executive Committee a list of those indebted to the Institute for dues for more than two years was considered. Your name appeared on this list with an indebtedness of \$60.00 for dues for 1920, 1921 and 1922.

In acting upon the list as a whole the Committee directed that those who do not make payment in whole or in part or do not reach some agreement with the Treasurer as to future payment before February 15, 1923, be dropped from the Institute, and their respective Chapters, for non-payment of dues, effective February 20, 1923.

The Executive Committee would regret very much to lose your support of the Institute, and of the work it is trying to do for the profession. On behalf of the Committee, I express the earnest hope that you will make a special effort and pay something on account - as an expression of good intention. This would permit the Treasurer's Office to continue you as an Institute member in good standing for another year, and would give you ample opportunity to clear the account.

In view of the promising outlook for the profession, and the Institute's desire for your continued cooperation, may we not hear from you.

Very truly yours,

Assistant Treasurer.

Dear Mr. Taylor:-

It was with regret that the Treasurer had to report to the Officers and Directors of the Institute at their last meeting a large amount still in default covering payment of dues for the current year.

The Directors discussed the matter seriously as the money is needed to meet the balance of our obligations for the year and moreover it seemed to them not quite fair that members who have paid their dues are not only meeting their own obligations, but assisting to pay the cash expense necessary to supply the Journal, etc., to those members who have not paid their dues. The Directors passed the following resolution:

Resolved, that those members now delinquent for more than one year be given until February 1, 1925, to make payment in whole, or to reach some agreement with the Treasurer as to future payments. Otherwise the Institute and Chapter membership of each delinquent coming under this resolution shall be terminated on March 1, 1925, upon notice to him from the Secretary to that effect.

I am sending you this as an appeal to make a remittance to the Treasurer of \$40.00, including the dues for 1924, which, as you know, were payable eleven months ago.

I trust that you will write me promptly and also frankly if for any reason you cannot pay all or any part of the amount at the present moment.

Hoping that you will do your part to help the Treasurer make a better report at the next meeting of the Board of Directors, I remain,

Sincerely yours,

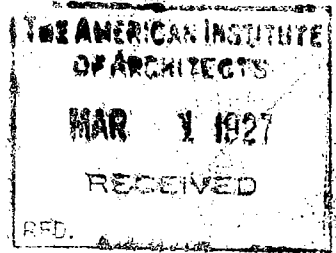

Treasurer.

Dear Mr. Taylor:

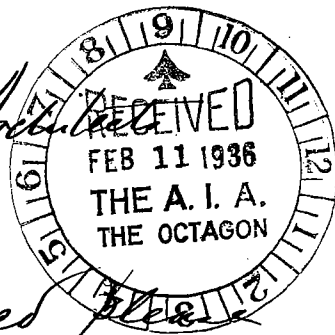

We have been informed that there can be no exceptions to the Institute ruling that those members who did not take care of their arrears in dues to the National Body by January 31st will be automatically dropped. This ruling seems particularly hard on those who, like yourself, are in arrears only \$5.00. Please note, however, that this is probably the result of your having had your 1934 and all but this \$5.00 of your 1935 dues paid from the credit balances resulting from the adjustment of dues paid in excess during the period 1931-33.

Under these circumstances we sincerely hope that you will mail in to the Treasurer of the American Institute of Architects at Washington your check for \$5.00 dated January 31st. We have assurance that a few days of grace will be extended.

Yours sincerely,

Hobart B. Upjohn
President

Treasurer of
American Institute of Architects

Dear Sir:—

Enclosed please

find check for \$5— I do not see how this error occurred but I have been away from my office & mail sent to it for a long time & so I must have missed your bill. Hope this will make everything O.K. I enclose Mr Upjohn's letter. Please send all mail to me at Norfolk, Conn. Yours more likely to get paid on time than.

Yours Truly
