Mr. Edward C. Keuper
Executive Secretary, A. I. A.
The Octagon, Washington, D. C.

Dear Mr. Keuper,

I incline to think that my credit with the Institute to cover 1st Class postage on all Communications must be used up, as I have not yet received the May issue of "The Octagon" - I therefore enclose \$2.00 to be applied to this purpose, and would appreciate your letting me know the balance needs replenishing.

You will oblige

Yours very truly
Edgar V. Seeler
