Dear Sir:

In compliance with your request of November 4, I am forwarding in two packages, drawings, and photographs of some of my work.

The fact that I am not actively practising but am teaching almost all the time, made it difficult for me to send work of which much good could be said. Most of my work away from the University has been done in the office of Charles H. Bebb and Carl F. Gould, both of whom you no doubt know.

Respectfully,

Harold O. Sexsmith
