Dear Miss Swan:

The Board of Directors of The American Institute of Architects takes pleasure in informing you that it has acted favorably on your application and welcomes you to corporate membership in The Institute.

In the near future, you will receive some literature regarding The Institute, which we hope you will find of interest, and a lapel emblem. In approximately two months you will receive a certificate of membership, either directly from The Institute or through formal presentation by the Chapter.

You are assigned to the New York Chapter and the New York State Association of Architects of The AIA, effective June 15, 1966.

I sincerely hope that you will take an active and interested part in your Chapter's activities. The Chapter is the cornerstone of The Institute's strength where the policies which advance our profession are developed. Members who are active in Chapter affairs gain the most from AIA as professional men and provide the leadership which AIA needs to meet the challenges and opportunities which the future holds for architecture.

I want you to know that the Secretary's Office is at your service to the fullest extent of its powers.

By direction of the Secretary.

Sincerely yours,

William H. Scheick, FAIA

Dear Mrs. Marx:

We hasten to write you regarding the A. I. A. membership of Patricia W. Swan, Associate Partner in this firm. There seems to be confusion about her present status because she inadvertently neglected to return the form saying she is not responsible for supplementary dues.

As a valued member of SOM she is often out of the city on SOM projects. We have believed her to be in good standing following a letter written last year after we had discussed the problem with Mrs. McGrath in New York. But the A. I. A. Journal is suddenly no longer coming and we wonder if it is simply a problem with the Journal or indeed a continuing difficulty over that supplementary dues form.

In any case she is eager to continue as a member of the American Institute of Architects and to receive the Journal. Can you tell us, please, whatever else must be done? We do appreciate your help in this.

Sincerely,

Marion L. Vanderbilt
