January 7, 1921.

My dear Mr. Scott:

Yours of January 3, is at hand and I regret to find that through some oversight your application for retirement, dated November 3, and acknowledged in my letter of November 6, did not come before the November Board.

Your retirement would, undoubtedly, have been made effective January 1, 1921, therefore, we will send to you no statements for 1921 dues. We will bring the matter up formally before the Executive Committee at the meeting on March 1, advising you after that date.

Very truly yours,

Executive Secretary.

Mr. John Scott,

My dear Mr. Scott:

By resolution of the Executive Committee of the Institute, this will advise you that you have been placed on the Retired List of the Institute, effective December 31, 1920.

This makes no change in your status as an active member of the Institute other than the remission of Institute dues.

By direction of the Secretary.

Very truly yours,

Executive Secretary.
