1953-55

HE WAS SELECTED BY THE MAYOR AS ONE OF A SIX MAN COMMITTEE TO DRAFT A COMPLETE NEW BUILDING CODE. THIS TASK REQUIRED WEEKLY MEETINGS FOR THE FULL TWO YEAR PERIOD AND RESULTED IN THE ADOPTION OF A COMPLIANCE TYPE BUILDING CODE WHICH HAS BEEN USED EXTENSIVELY AS A REFERENCE BY OTHER MUNICIPALITIES IN VIRGINIA.

1954-56

HE WAS SELECTED BY CITY COUNCIL TO BE A MEMBER OF THE MAYOR'S HOUSING COMMITTEE. THE DUTIES OF THIS COMMITTEE WERE TO DETERMINE IF A NEED EXISTED FOR LOW RENT HOUSING AND IF THE NEED EXISTED COULD IT OR WOULD IT BE MET BY PRIVATE ENTERPRISE. MEMBERS OF THIS COMMITTEE ASSEMBLED VOLUMES OF INFORMATION AS TO HOUSING CONDITIONS, AVAILABILITY AND NEEDS TO SUBSTANTIATE THAT A LOW COST HOUSING WAS AN ESSENTIAL NEED. THE NOMINEE AND TWO CONSTRUCTION MEMBERS OF THE COMMITTEE PREPARED DRAWINGS AND CONSTRUCTION COSTS TO PROVE TO CITY COUNCIL AND THE CITY'S CITIZENS THAT PRIVATE ENTERPRISE COULD NOT AND WOULD NOT SOLVE THE LOW COST HOUSING PROBLEM. THE WORK OF THE COMMITTEE RESULTED IN A THREE MILLION DOLLAR REDEVELOPMENT AND HOUSING PROGRAM. THE FIRST STAGE OF THIS PROGRAM IS NOW APPROACHING COMPLETION AND THE SECOND AND THIRD PROJECTS ARE READY TO PROCEED.

1956

DUE TO THE NOMINEE'S INTEREST IN MUNICIPAL PROBLEMS AND HIS PROFESSIONAL EXPERIENCE AND TRAINING, HE WAS SELECTED BY UNANIMOUS VOTE OF THE CITY COUNCIL, TO FILL AN UNEXPIRED TERM ON THAT FIVE-MAN BODY FOR A TWO-YEAR PERIOD.

Louie Lorraine Scribner is being nominated to Fellowship in The American Institute of Architects in Service to The Institute and Public Service

(state the category or categories)

The nomination lists the following activity as a basis for advancement:

Service to the Virginia Chapter of the American Institute of Architects and public service to Charlottesville, Virginia.

Activity

In the space below, please list any further details about this activity which you can provide on the basis of direct personal experience, and explain why you would consider it a significant accomplishment in the advancement of the profession of Architecture. Additional information may be submitted on an attached sheet, but the Jury prefers the material to be brief and pertinent.

Since becoming a member of the Virginia Chapter of the American Institute of Architects, I have observed Mr. Scribner's service to the Chapter and to his community.

While I was serving as Treasurer and a member of the Executive Committee, Mr. Scribner was always willing to help with these duties through deeds or advice when it was sought. I have noticed that he has had the same attitude for other officers and members. He is a sober thinker and a stabilizing influence in our Chapter.

As for public service to his community, he has unselfishly given up his chances for public work that he would have been commissioned for in order to properly fulfill his elective and appointive duties. On several occasions, he has voiced his opinion that more architects should be willing to accept community responsibility just as other professions have. These opinions are from a dedicated man.

I have known the nominee for 9 years in the relationship of fellow member of the Virginia Chapter and member of Executive Committee.

CITY OF

OFFICE OF THE
MAYOR

Gentlemen:

The Nominee, having shown keen interest in civic and governmental affairs and leadership ability through his Church, P.T.A., and various service organizations, was appointed to the Zoning Board of Appeals in 1956. Because of his outstanding work on this Board, in 1957 he was appointed to City Council to serve an unexpired term. The Nominee has since stood for election twice, in 1958 and 1962, leading the tickets on both occasions. Mr. Scribner served as our Mayor from 1960 to 1962, providing the greatest activity and leadership our City has ever known. Over the years, the Nominee has been a valued panel member and chairman on many state municipal programs, giving solutions to problems of other cities throughout the State.

It is impossible to mention all of the important community projects he has led to a successful completion, but I would like to just mention a few. In difficult times, public school closing Mr. Scribner stood as a leader for a strong and progressive public school system, which will be of lasting benefit to this Community. Two new elementary schools were completed and two Junior High Schools are now in the planning stages. The Master Plan for the City and the present Zoning Ordinance, through direct result of Mr. Scribner's efforts, stands high on his contributions. Under his leadership, the \$3,000,000. Water Bond Issue has been approved, which demonstrates his foresightedness in planning for the future of Charlottesville.

I have personally known Mr. Scribner and observed his many contributions to our State and City, and can think of no one who is more deserving of this high honor of Fellowship in the American Institute of Architects.

Many of the finest structures in the Piedmont section of Virginia are monuments to the enviable skill of the nominee. He designed and supervised the building of a large home for me more than 20 years ago and has done the same for many of my friends. The same applies to many business, professional and public use structures in the area. Recognized as a leader in his profession in our area is an understatement. I venture the opinion that any business or professional person in Charlottesville would say as much, and more. And as a leader of men, he is outstanding; his long record of civic and public service attests to that. In my view, the College would be fortunate to have Louie Scribner as a Fellow.
