Attention: Membership Procedures - Patsy W. Golato

Gentlemen:

Listed below is information regarding my professional practice since April of 1963 as requested in your letter dated June 5.

1. May 1963 to May 1964
Employed by Mr. Donald E. Erb, Structural Engineer, to design and correlate with the architect, the structural portion of the U. S. Naval Hospital at Long Beach, California. The major portion of this work was done in the office of the Architect, Mr. Hugh Gibbs, AIA, of Long Beach.
2. May 1964 to present
My state certificate was issued January 27, 1964 and I entered private practice in May, 1964. However, since I feel that it is my obligation to the architectural profession, Mr. Gibbs, and Mr. Erb, I have elected to remain as an employee of Mr. Erb in order to complete the Navy Hospital and other architectural engineering projects until such time that my own practice demands all of my attention.

I hope this will cause no further delay in the processing of my application.

Yours truly,

Andrew Verkade
